The Comptroller is elected by the people for a term of four years from the third Monday in January next ensuing his election. The Comptroller appoints all officers in his own office.

The Comptroller is the head of the Division of Financial Review of the Finance Department. He is directed to exercise supervision and direction over the State Auditor, the State Bank Commissioner, the State Insurance Department, the State Tax Commission and the Central Purchasing Bureau.

The Comptroller shall have the general superintendence of the fiscal affairs of the State; he shall digest and prepare plans for the improvement and management of the revenue, and for the support of the public credit; prepare and report estimates of the revenue and expenditures of the State; superintend and enforce the prompt collection of all taxes and revenue; adjust and settle, on terms prescribed by law, with delinquent collectors and receivers of taxes and State revenue;

preserve all public accounts; decide on the forms of keeping and stating accounts; grant, under regulations, prescribed by law, all warrants for money to be paid out of the Treasury, in pursuance of appropriations by law, and countersign all checks drawn by the Treasurer upon any bank or banks, in which the moneys of the State may, from time to time, be deposited; prescribe the formalities of the transfer of stock, or other evidence of the State debt, and countersign the same, without which such evidence shall not be valid; he shall make to the General Assembly full reports of all his proceedings, and of the state of the treasury department, within ten days after the commencement of each session; and perform such other duties as shall be prescribed by law.

An Act of the General Assembly of 1929 providing for a change in the Constitution which would permit the Comptroller to appoint deputies with authority to sign warrants and countersign checks was approved at the November, 1930, election. This authority makes possible the direct payment of all obligations of the State by the State Treasury Department and gives the central accounting office of the State an opportunity to pass upon all vouchers before payment. It had not been possible to provide for direct payment of all vouchers because of the impossibility of one man, the Comptroller, being able to sign all the warrants and checks which would be necessary if this plan were put into effect. A similar provision was approved for the State Treasurer's Office so that the State Treasurer will be authorized to appoint a deputy, or deputies, to sign checks in payment of State obligations.

The Bank Commissioner under the law has general supervision over all banking institutions in the State (other than National Banks). He is required to visit and examine, either in person or by deputy, each institution at least twice a year, and at such other times as he may deem expedient; and at any time upon the request of the directors of the institution. Whenever the capital stock of an institution is reduced by impairment, and such impairment is not made good as prescribed by the law, or whenever it is found that an institution is being conducted in an unsafe manner, the Bank Commissioner may take possession, as provided by law, and retain possession until it resumes business or is finally liquidated.

In case of the failure of such an institution the Bank Commissioner acts as receiver, and liquidates its assets and winds up its affairs under the jurisdiction of the Court.

Every bank and trust company is required to submit to the Bank Commissioner, under oath at least three reports in each calendar year; such reports to exhibit in detail the resources and liabilities of the in-

stitution, and show its true condition. These reports are to be published in the local newspapers. All mutual savings institutions are required to report their condition to the Bank Commissioner on June 30th and December 31st of each year.

It is the duty of the Bank Commissioner to examine each report received from the institutions under his supervision, and when necessary, to verify them, at the same time to correct any irregularities that may be disclosed or make any recommendations that may seem advisable.

It is part of the duty of the Bank Commissioner to supervise the formation of new banking institutions; to see that all requirements of the law have been complied with, and to issue his certificate authorizing them to commence business.

It is the further duty of the Bank Commissioner to pass upon all amendments to charters, and all consolidations and voluntary liquidations. On the tenth of February in each year the Bank Commissioner is required to make a report to the Governor, covering the operations of his office.

The 1918 session of the General Assembly passed what is known as the Uniform Small Loan Law. This provides that all persons, co-partnerships or corporations engaged in the business of making loans in the amount of \$300 or less and who charge a greater rate of interest than six per cent., shall obtain a license from the Bank Commissioner. This act further provides for the regulation and supervision of such concerns by the Bank Commissioner.

The 1929 session of the General Assembly passed what is known as the Credit Union Law. This law provides that any seven or more persons, residents of this State, may apply to the Bank Commissioner for permission to organize a Credit Union.

During the fiscal year ending February 1st, 1933, the Bank Commissioner made 362 examinations, of which 151 were made outside of the parent institutions. The department also examined during the year, the small loan licensed credit unions required by law.

Maryland met the unusual conditions resulting from the banking crisis by the passage of Chapter 46 of the Acts of 1933, known as the Emergency Banking Law, under which the Bank Commissioner was given the custody, control and management of all State banking institutions and credit unions accepting deposits. In pursuance of this Act, the Commissioner at once assumed control over all such institutions, and thereafter surrendered control over those institutions which were found, upon investigation, to be able to reopen upon a 100% basis, and to resume business in the usual course. As to those institutions remaining under his control, he was given the power to operate the same through agents upon a restricted basis, so as to prevent any unjust or inequitable discrimination in the withdrawal of deposits or the payment of other claims.

The Bank Commissioner was also empowered to appoint, as his agents, such of the officers, directors and other employees of the institution, and at such compensation, as he might deem proper, or in his discretion, to appoint a Conservator, to take charge of the business of any such institution at any time during the period of custody,—all for the purpose of reducing expenses and conducting the affairs of the institution with the greatest possible advantage to the depositors. The power of the Commissioner, with the approval of the Governor and the Attorney General, to take over any such institution as its receiver, for final liquidation, was reserved.

Under other legislation enacted at the 1933 Session of the Legislature, the powers of banks and trust companies to make loans were further restricted, and under these statutes no loan may now be made to an officer or employee without the prior approval of the Board of Directors by resolution duly adopted and recorded in the minutes. No person, co-partnership or corporation may become indebted to such an institution in an amount in excess of 10% of the capital and surplus,

except that by a two-thirds vote of the directors such indebtedness may be increased to a total sum not in excess of 30% of the capital and surplus where the amount in excess of 10% of the capital and surplus is secured by interest bearing obligations of the United States, the State of Maryland, or of any county or municipal corporation of the State. Other legislation enacted at the 1933 session prohibits any banking institution from making loans on the security of the shares of its own capital stock, and requires the Bank Commissioner in his capacity as receiver for any banking institution to obtain collateral, in the form of bonds of the United States, the State of Maryland, or any county or municipality thereof, for the full amount of any deposits made by him as such receiver.

The State Tax Commission was created by the Act of 1914, Chapter 841, superseding the State Tax Commissioner, an office which was established in 1878, with functions limited virtually to the assessment of the shares of domestic corporations and national banks, the gross receipts of certain classes of corporations, and distilled spirits. Greatly enlarged jurisdiction and responsibilities were conferred upon the State Tax Commission by the act creating it and by subsequent legislation. In addition to the duties formerly exercised by the State Tax Commissioner, the Commission is empowered to "supervise the administration of the assessment and tax laws of Maryland and of each county or city thereof"; "to enforce and execute a continuing method of assessment and to require that all property in the State be reviewed for assessment at least once in every five years," but not necessarily by reassessment of all property in the same year; to act as an appellate tribunal to which all appeals from assessments of real and personal property made by local assessing bodies must be taken; to assess the rolling stock of railroad companies; "to participate in any proceeding in any court wherein any assessment or taxation question is involved."

The Commission appoints for each of the counties a Supervisor of Assessments who has the status of a chief assessor in the county, with power also to appeal to the Commission from any assessments or rulings made by the County Commissioners. The supervisors are appointed from a list of five nominees submitted by the County Commissioners. They serve during good behavior and are removable by the State Tax Commission "for incompetency or other cause." Their salaries are paid by the respective counties and are graded according to the aggregate value of property assessed in the county. A supervisor is also appointed for Baltimore City with important duties of investigation. The Commission may order the appointment of local assessors to be made by the County Commissioners and may dismiss such assessors for cause, and, in its discretion, may fill any vacancy thus created.

The State Tax Commission has charge of the registration of foreign corporations doing business in Maryland. It also determines the amount of capital employed by them in the State, as the basis of the annual franchise tax. Charters and amendments to charters of domestic corporations are filed with, and recorded and approved by, the Commission. In its jurisdiction over foreign corporations the Commission succeeds the Secretary of State; while in passing on appeals from assessments locally made, and on certificates of incorporation, it exercises functions formerly performed by the courts.

Under the Tax Revision Act of 1929 (Chapter 226) an appeal to the courts lies from the decisions of the Commission in all cases where questions of law are involved. Determinations of fact can only be re-

viewed by the courts in cases where the Commission acts in the exercise of its original jurisdiction and not where it acts in its appellate capacity.

The State Tax Commission is composed of three members, appointed by the Governor for terms of six years, one of the terms expiring every two years. One member must be a resident of the Eastern Shore, one a resident of Baltimore City and the other a resident of one of the Western Shore counties. "Not more than two of said Commissioners shall be of the same political party, and each of them shall be a taxpayer and qualified voter of this State."

This Bureau consists of the Governor, who is Chairman; Secretary of State, Comptroller of the Treasury, State Treasurer, Chairman of the State Roads Commission, Commissioner of Motor Vehicles, Chairman of the State Board of Welfare, Chairman of the State Board of Health, State Superintendent of Public Schools, President of the University of Maryland, and the Superintendent or managing heads of the following institutions: Crownsville State Hospital, Eastern Shore State Hospital, Rosewood State Training School, Spring Grove State Hospital, Spring-

field State Hospital, Maryland Tuberculosis Sanatorium, Maryland State School for the Deaf, Montrose School for Girls and Maryland Training School for Boys.

The Chairman of the Bureau appoints a Secretary-Treasurer who shall be known as the Purchasing Agent.

The Central Purchasing Bureau of Maryland was established in consequence of an act passed by the Legislature of 1920 (Chapter 184, 1920). The Bureau was organized in June, 1920, and immediately took over the purchasing for all State Departments and Institutions with the exception of the State Roads Commission.

During the first year of its existence the Bureau purchased materials, supplies and equipment amounting to approximately \$800,000. During the last fiscal year, purchases in excess of \$2,500,000 were made.

The principal functions which this office has endeavored to carry out are as follows:

- First: The securing of lower prices by reason of bulk purchases. Comparison between the prices paid on consolidated quantities and those which individual institutions would pay show a saving of not less than 10%.
- Second: Standardization of commodities in common use, resulting in a decrease in the varieties purchased with the consequent increase in the volume of purchases of standardized articles.
- Third: Because of the volume of consolidated purchases, original sources of supply can be dealt with, resulting in the lowest possible price.
- Fourth: Warehousing. A warehouse of 18,000 square feet capacity is maintained in Baltimore City for the storage of staple supplies purchased in quantities on favorable markets. Such supplies are paid for out of a Revolving Fund of \$100,000, which is available through Legislative appropriation. This provides for prompt payment of bills and all invoices subject to discount are paid within the prescribed period. The saving in cash discounts alone more than pays for the cost of maintaining the warehouse.

Because of this ability to warehouse considerable quantities of staple commodities and cash payment for same, lowest possible prices are secured. An accounting system has been developed, by means of which, through simple debit and credit entries, funds are transferred from Budget appropriations of Using Agencies to reimburse the Revolving Fund. Supplies are withdrawn from the warehouse with a consequent lessening in the amount of clerical labor on the part of the Using Agencies in the payment of invoices.

Monthly meetings are held with the Superintendents of the various State Institutions and other State Agencies present, at which time samples are examined and contracts awarded. These monthly meetings furnish a good opportunity for the heads of the various State Agencies to meet and exchange advice with reference to the conduct of their departments and institutions.

Every advantage is made of the facilities which the State has for the testing of materials, supplies and equipment, determining those commodities most suitable for use. Advice is also sought of the various scientific agencies of the State to determine the composition of commodities offered for purchase, and subsequently to determine the comparison of delivered articles and samples submitted.

The State Treasurer is elected on joint ballot at the regular session of the Legislature, beginning with the term of the Governor, for a period of four years, or until his successor is duly elected and qualifies.

The Treasurer is the head of the Division of Deposits and Disbursements, depositing daily all monies received in such banks as he may select, with the approval of the Governor; said banks giving sufficient bond or approved collateral security satisfactory to the Governor. All State money is paid out upon the warrant of the Comptroller by check issued by the Treasurer, and countersigned by the Comptroller. He is a member of the Board of Public Works; and also a member of the other Boards having charge of the different State Institutions.

The Comptroller and Treasurer issue all loans authorized by the Legislature—the Treasurer signing the bonds or certificates of indebtedness, countersigned by the Comptroller. The Treasurer and Comptroller are custodians of all bonds, stock, and other securities belonging to the State, and held for the use of the different sinking funds.

The Treasurer has charge of the State's insurance and is custodian of all policies covering same. The Treasurer publishes the balances in the different State depositories standing to the credit of the State, monthly, and renders a quarterly report to the Comptroller.

The head of the Department of Education is the State Board of Education.

In accordance with Chapter 506 of the Acts of 1916, the members of the State Board of Education are appointed by the Governor. One member is appointed annually for a term of seven years from the first Monday in May next succeeding the appointment.

The State Board of Education selects a State Superintendent of Schools, and through him and his assistants, has general control of the Public School System of the State. The Board is a legislative body, and, as such, enacts by-laws and prescribes rules and regulations for carrying into effect the provisions of the school laws. These by-laws and rules include regulations for the construction of school buildings, for grading and standardizing all public schools, for the certification of public school teachers, for taking the bi-ennial school census, and for a uniform series of forms and blanks for the use of county superintendents, school officials and teachers.

The State Superintendent of Schools is the executive officer of the Board. The members of the State Board of Education and the State Superintendent of Schools are ex-officio trustees of the State Normal Schools.

State Superintendent of Schools.

The State Superintendent of Schools is appointed by the State Board of Education for a term of four years and is ex-officio secretary and treasurer of the Board. He is the executive officer of the State Board of Education, which, in addition to having general control of the State School System, is charged with the duties of interpreting school laws and acting without expense to the parties concerned in all controversies and disputes involving the proper administration of the public school system. He carries out the educational policies of the State Board of

Education. He conducts conferences of school officials and teachers, issues teachers' certificates, passes upon proposals for the sale of school sites and buildings, and the plans for the construction of new buildings. He directs the taking of the bi-ennial school census, prepares courses of study and an annual report. He also issues bulletins from time to time on the conditions and needs of the schools.

Either in person, or through his assistants, he has general supervision over the educational conditions in the counties and co-operates with county school officials in welding together school interests in a State system. He certifies to the Comptroller each year a list of schools entitled to receive State aid, and the amount due each county in part payment by the State of the salaries of superintendents, supervisors and attendance officers. He audits the accounts of the county boards of education and sees that their expenditures conform to the law. His approval is necessary in the appointment of county superintendents, supervisors, and attendance officers by the County Boards of Education. The State Superintendent is a member ex-officio of the Board of Trustees of the State Teachers' Retirement System.

All communications pertaining to the supervision and administration of the State School System (Baltimore City not included) should be sent to the State Superintendent of Schools, or to him as secretary of the State Board of Education.

Work of the State Department of Education

The twenty-three counties of the State in 1931-32 enrolled in school nearly 169,000 pupils in 1,665 schools in charge of 5,043 teachers. Over 31,000 of these pupils were in the 178 high schools distributed in the twenty-three counties of the State. In the same year the counties expended on schools approximately \$8,892,000 for current expenses, of which \$2,726,000, or 31 per cent, was received by the twenty-three counties from the State of Maryland and Federal vocational funds. Baltimore City received \$1,459,000 from State and Federal school funds for the maintenance of schools and the retirement system for teachers.

White high school enrollment and attendance in the counties increased last year between 5 and 6 per cent. There were *10,825 graduates from county white elementary schools and 4,397 from county white high schools in 1932. Of the white girl graduates from county high schools, 6.6 per cent entered the Towson, Frostburg and Salisbury Normal Schools. The three normal schools had an enrollment in the fall of 1932 of 783 students, which includes 289 enrolled from Baltimore City at Towson.

Approximately 36 per cent of the white high school graduates of 1931 continued their education beyond high school in colleges, universities, normal schools, hospitals, commercial schools, etc., in 1931-32.

Towson, Frostburg and Salisbury Normal Schools gave diplomas in 1932 to 330 young men and women, of whom 106 were from Baltimore City. Of the county normal school graduates, 36 per cent received teaching positions for 1932-33. Over 29 per cent of the county graduates returned to teach in their home counties. In October, 1932, 97 per cent of the white elementary teachers held first grade certificates, 2 per cent second grade certificates, and only 1 per cent third grade certificates. In 1920 one-third of the teachers held first grade certificates, one-third second grade certificates, and one-third held third grade certificates. In the financially poorer counties, which cannot carry the minimum require-

ments of the State program on a county school current expense tax rate of 67 cents plus other forms of State aid, the State provides the additional amount necessary through an Equalization Fund. Through legislation in 1933, the 67 cent county school current expense tax rate required of counties sharing in the Equalization Fund will be reduced to 47 cents beginning with the school year 1933-34.

During the school year ending in June, 1932, there was at least one supervising or helping teacher in every county in Maryland. This is the eleventh year that this satisfactory situation has existed. The State pays two-thirds of the salaries according to the minimum schedule of the county supervising and helping teachers and of county superintendents. The improvement in the results of the tests in reading and arithmetic is one evidence of effective supervision.

The improvement of instruction through supervision is accomplished by organizing the content of the curriculum into definite units of instruction in the various subjects; by setting up specific goals of accomplishment for each grade in the various subjects; by giving standardized tests in the "three R's" to check on the accomplishment of goals and to plan appropriate remedial teaching for deficiencies revealed; by analyzing with teachers the achievements to secure more suitable classification and to provide adequate guidance for individual pupils who vary markedly from the average; by constantly urging the improvement of physical and hygienic conditions in the schools; by stimulating teachers to do the best work of which they are capable through visits to the classroom followed by helpful conferences and through participation in professional group meetings of teachers conducted by the supervisor; by breaking down the isolation of teachers in rural schools and giving adequate educational opportunity to country children; by building up new content and methods with older experienced teachers who may be inclined to fall into a dull routine; by utilizing the strength of superior teachers for the benefit of the entire group through demonstration lessons; and by helping the public and parents to understand more clearly what the schools are trying to accomplish for their children.

In the fall of 1932 there were 49 supervising or helping teachers employed for the 3,022 white elementary teachers scattered over the 9,870 square miles in the Maryland counties, an average of 62 teachers for each supervising or helping teacher. Since there are very few non-teaching principals in the Maryland county schools, the Maryland counties are helping teachers to improve instruction with a relatively small corps of supervisory officials.

The average current expense cost in 1932 of educating a pupil in the schools of the twenty-three counties was \$55.51. Graded schools having three or more teachers, with better trained teachers, more equipment, and expenditures for transportation, cost less per pupil than rural schools having one or two teachers, chiefly because the classes were larger. Transportation was provided at public expense for over 35,000 county pupils at a cost of \$835,000.

There were 56 per cent of the white county schools, and 77 per cent of the colored schools in the counties which reported that they had active parent-teacher associations organized in 1932.

Maryland's school system is frequently visited and studied by other states and counties because of its plan for effective administration and supervision in a county unit system, and because of its method of distributing school funds on the basis of need through its Equalization Fund.

The Governor, with the consent of the Senate, appoints nine Regents for a term of nine years from the first Monday in June.

The first appointments were made in 1916 for terms of 1, 2, 3, 4, 5, 6, 7, 8 and 9 years, and as these terms expire a successor is appointed for a full term of nine years. (Ch. 372, 1916.)

This Board of Regents displaces the old Board of Trustees of the Maryland State College.

Under Chapter 480, Acts 1920, the old University of Maryland was, on July 1, 1920, consolidated with the Maryland State College, under the former name.

THE UNIVERSITY OF MARYLAND.

The University of Maryland is located at College Park, in Prince George's County, Maryland, on the Baltimore and Ohio Railroad, eight miles from Washington and thirty-two miles from Baltimore. College Park is easily accessible from all parts of the State.

The campus fronts on the Baltimore and Washington Boulevard. The suburban town of Hyattsville is two miles to the south, and Laurel is ten miles to the north on the same road. Access to these towns and to Washington may be had by steam and electric railways and busses.

The Professional Schools of Medicine, Nursing, Pharmacy, Dentistry, and Law and the University Hospital are located in Baltimore in the vicinity of Lombard and Greene Streets.

Administration.

The government of the University is vested by law in a Board of Regents, consisting of nine members appointed by the Governor each for a term of nine years. The administration of the University is vested in the President. The University Senate acts in an advisory capacity to the President.

The University organization comprises the following administrative divisions:

- College of Agriculture.
- Agricultural Experiment Station.
- Extension Service.
- College of Arts and Sciences.
- College of Education.
- College of Engineering.
- College of Home Economics.
- Graduate School.
- Summer School.
- Department of Military Science and Tactics.
- Department of Physical Education and Recreation.
- School of Dentistry.
- School of Law.
- School of Medicine.
- School of Nursing.
- School of Pharmacy.
- The University Hospital.

The College of Agriculture includes the following departments: Agricultural Economics; Agronomy (including Crops and Soils); Animal Husbandry; Bacteriology; Botany, Dairy Husbandry; Entomology and Bee Culture; Farm Forestry; Farm Management; Farm Mechanics; Genetics and Statistics; Horticulture (including Pomology; Vegetable Gardening, Landscape Gardening and Floriculture); Plant Pathology; Plant Physiology and Bio-chemistry; Poultry Husbandry.

The instructional work of the College of Education is conducted by five functional divisions or departments: History and Principles of Education; Methods in Academic and Scientific Subjects, Agricultural Education, Home Economics Education, and Industrial Education.

The College of Engineering includes the Departments of Civil, Electrical, and Mechanical Engineering.

Graduate work is offered, under the supervision of the Dean of the Graduate School, by competent members of the various faculties of instruction and research.

The College of Home Economics is organized into the Department of Foods and Nutrition, Textiles and Clothing, and Home and Institutional Management.

There are eleven university departments under the administrative control of the College of Arts and Sciences: Classical Languages, Chemistry, Economics and Sociology, English, History and Political Science, Mathematics, Modern Languages, Philosophy, Physics, Public Speaking, and Zoology and Agriculture.

The Department of Military Science and Tactics has charge of the work of the Reserve Officers' Training Corps unit established by the War Department. During the first two years of the student's stay at the University he is required to take the Basic R. O. T. C. courses. During his junior and senior years he may elect three credit hours in Reserve Officers' Training Corps each term.

The Department of Physical Education and Recreation works in co-operation with the military department and supervises all physical training, general recreation, and intercollegiate athletics.

A summer session of six weeks is conducted at College Park. The program is designed to serve the needs of three classes of students; teachers and supervisors of the several classes of school work—elementary, secondary, and vocational; special students, as farmers, breeders, dairymen, homemakers, chemists, public speakers, graduate students; and students who are candidates for degrees in agriculture, arts and sciences, education, engineering, and home economics.

The work in Medicine, Pharmacy, Law, Dentistry and Nursing is given in schools in Baltimore. The University Hospital is also located in that city.

History.

The history of the present University of Maryland, until they were merged in 1920, is the history of two institutions. These were the old University of Maryland in Baltimore and the Maryland State College (formerly Maryland Agricultural College) in College Park.

The beginning of this history was in 1807, when a charter was granted to the College of Medicine of Maryland. The first class was graduated in 1810. A permanent home was established in 1814-1815 by the erection of the building at Lombard and Greene Streets in Baltimore, the oldest structure in America devoted to medical teaching. Here was founded one of the first medical libraries (and the first medical school library) in the United States. In 1812 the General Assembly of Maryland authorized the College of Medicine of Maryland to "annex or constitute faculties of divinity, law, and arts and sciences," and by the same act declared that the "colleges or faculties thus united should be constituted an university by the name and under the title of the University of Maryland." By authority of this act, steps were taken in 1813 to establish a "faculty of law," and in 1823 a regular school of instruction in law was opened. Subsequently there were added a college of dentistry, a school of pharmacy, and a school of nursing. No significant change in the organization of the University occurred until 1920, more than one hundred years after the original establishment in 1812.

The Maryland State College was chartered in 1856 under the name of the Maryland Agricultural College, the second agricultural college in the Western Hemisphere. For three years the College was under private management. In 1862 the Congress of the United States passed the Land Grant Act. This act granted each State and Territory that should claim its benefits a proportionate amount of unclaimed Western lands, in place of scrip, the proceeds from the sale of which should apply under

certain conditions to the "endowment, support, and maintenance of at least one college where the leading object shall be, without excluding other scientific and classical studies, and including military tactics, to teach such branches of learning as are related to agriculture and the mechanic arts, in such a manner as the Legislature of the States may respectively prescribe, in order to promote the liberal and practical education of the industrial classes in the several pursuits and professions of life." This grant was accepted by the General Assembly of Maryland, and the Maryland Agricultural College was named as the beneficiary of the grant. Thus the College became, at least in part, a State institution. In the fall of 1914 control was taken over entirely by the State. In 1916 the General Assembly granted a new charter to the College and made it the Maryland State College.

In 1920, by an act of the State Legislature, the University of Maryland was merged with the Maryland State College, and the name of the latter was changed to the University of Maryland.

All the property formerly held by the old University of Maryland was turned over to the Board of Trustees of the Maryland State College, and the name was changed to the Board of Regents of the University of Maryland. Under this charter every power is granted necessary to carry on an institution of higher learning and research. It provides that the University shall receive and administer all existing grants from the Federal Government for education and research and all future grants which may come to the State from this source. The University is co-educational in all its branches.

Extension and Research. Agriculture and Home Economics.

The Extension Service is that branch of the University of Maryland, established by Federal and State law, which is designed to assist the farmer and his family in promoting the prosperity and welfare of agriculture and rural life. Its work is conducted in co-operation with the United States Department of Agriculture.

The Extension Service is represented in each county of the State by a county agent and in all but a few counties by a home demonstration agent. Through these agents and its staff of specialists, the Extension Service comes into intimate contact with rural people and with the problems of the farm and home.

Practically every phase of agriculture and rural home life comes within the scope of the work undertaken by the Extension Service. Farmers are supplied with details of crop and livestock production, and with instructions for controlling disease and insect pests; they are encouraged and aided in organized effort, helped with marketing problems, and in every way possible assisted in improving economic conditions on the farm.

Rural women are likewise assisted in the problems of the home. They are made acquainted with time and labor-saving devices, with simpler and easier methods of work, with new knowledge of foods, with new ideas about home furnishing, with practical methods of home sewing and millinery construction, and with such other information as tends to make rural home life attractive and satisfying.

For rural boys and girls, the Extension Service provides a valuable type of instruction in agriculture and home economics through its 4-H Club-work. The instruction is incident to actual demonstrations conducted by the boys and girls themselves. These demonstrations, under supervision of the county and home demonstration agents, are the best possible means of imparting to youthful minds valuable information in

crop and livestock production and in the household arts. The 4-H Club work, moreover, affords rural boys and girls a very real opportunity to develop the qualities of self-confidence, perseverance, and leadership.

The Extension Service works in accord with all other branches of the University of Maryland and with all agencies of the United States Department of Agriculture. It co-operates with all farm and community organizations in the State which have as their major object the improvement of agriculture and rural life; and it aids in every way possible in making effective the regulatory work and other measures instituted by the State Board of Agriculture.

General Extension.

This phase of the extension service of the University is conducted in co-operation with the United States Bureau of Education and is intended to make the Liberal Arts and branches of the curriculum, other than Agriculture and Home Economics, of greater service to the people of the State.

Agricultural Experiment Station.

The agricultural work of the University naturally comprises three fields: research, instruction, and extension. The Agricultural Experiment Station is the research agency of the University, which has for its purpose the increase of knowledge relating to agriculture, primarily for the direct benefit of the farmer. It is also the real source of agricultural information for use in the classroom and for demonstrations in the field.

The Experiment Station work is supported by both State and Federal appropriations. The Hatch Act, passed by Congress in 1887, appropriates \$15,000 annually; the Adams Act, passed in 1906, provides \$15,000 annually; and the Purnell Act, passed in 1925, provides \$60,000 annually. The State appropriation for 1930 is \$74,000.

The objects, purposes, and work of the Experiment Stations as set forth by these acts are as follows:

"That it shall be the object and duty of said Experiment Stations to conduct original researches or verify experiments on the physiology of plants and animals; the diseases to which they are severally subject with the remedies for the same; the chemical composition of useful plants at their different stages of growth; the comparative advantages of rotative cropping as pursued under a varying series of crops; the capacity of new plants or trees for acclimation; the analysis of soils and water; the chemical composition of manures, natural or artificial, with experiments designed to test their comparative effects on crops of different kinds; the adaptation and value of grasses and forage plants; the composition and digestibility of the different kinds of food for domestic animals; the scientific and economic questions involved in the production of butter and cheese; and such other researches or experiments bearing directly on the agricultural industry of the United States as may in each case be deemed advisable, having due regard to the varying conditions and needs of the respective States or Territories."

The Purnell Act also permits the appropriation to be used for conducting investigations and making experiments bearing on the manufacture, preparation, use, distribution, and marketing of agricultural products, and for such economic and sociological investigations as have for their purpose the development and improvement of the rural home and rural life.

The Maryland Station, in addition to the work conducted at the University, operates a sub-station farm of fifty acres at Ridgely, Caro-

line County, and a farm of about sixty acres at Upper Marlboro for tobacco investigations. Experiments in co-operation with farmers are conducted at many different points in the State. These tests consist of studies with soils, fertilizers, crops, orchards, insect and plant disease control, and stock feeding.

The results of the Experiment Station work during the past quarter of a century have developed a science of agriculture to teach, and have laid a broad and substantial foundation for agricultural development. The placing of agricultural demonstrations and extension work on a national basis has been the direct outgrowth of the work of the Experiment Stations.

The students taking courses in agriculture are kept in close touch with the investigations in progress.

The Eastern Branch.

The Eastern Branch of the University of Maryland is located at Princess Anne, Somerset county. It is maintained for the education of negroes in agriculture and the mechanic arts.

STATE HORTICULTURAL DEPARTMENT

College Park, Md.

The State Horticultural Law was enacted by the 1898 Session of the Maryland Legislature (Laws of Maryland, 1898, Chapter 289). The law creates the offices of the State Entomologist, State Pathologist and State Horticulturist. The following articles under Section No. 1 of said Act will explain briefly the duties of the officers and the scope of the work of the Department:

That a State Horticultural Department be established for the State of Maryland; that its purpose is to suppress and eradicate the San Jose Scale, peach-yellow, pear-blight and other injuriously dangerous insect pests and plant diseases throughout the State of Maryland.

That the Professor of Entomology, the Professor of Vegetable Pathology, and the Professor of Horticulture of the University of Maryland and Experiment Station shall be the State Entomologist, State Pathologist and State Horticulturist, respectively.

That the said Horticultural Department shall be under the control of the Board of Regents of the University of Maryland and Experiment Station, to whom the officers created under this Act shall be responsible.

That it shall be the duty of said State Entomologist and State Pathologist, their assistants and employees, under the control of Regents of said University to seek out and suppress all pernicious insect pests and contagious diseases hereinbefore mentioned as destructive to horticultural interests of the State, and conduct experiments when necessary to accomplish that end.

The State Entomologist and State Pathologist are also required to inspect all tree and plant nurseries in the State and issue certificates of inspection to permit the distribution of such nursery stock.

All matters pertaining to orchard and nursery inspection as well as cases of infestation or infection by injurious insects or plant diseases attacking any crop in the State is taken care of so far as means will permit by the members of this Department.

The State Entomologist has been designated the Inspector of Apiaries and directed to conduct such inspection of Apiaries, and such investigations and disseminate such information as may seem best to promote the beekeeping industry in Maryland.

The terms of those first appointed are until the first Monday in May, 1924, and thereafter for two years from the first Monday in May. Ch. 29, 1922.

The Department of Forestry was created and organized to protect and develop the valuable timber and tree products of the State, and to carry on a campaign of education and to instruct counties, towns, corporations and individuals as to the advantages and necessity of protecting from fire and other enemies of the timber lands of the State. While the power of the Forestry Department rests with the Regents of the University, acting through the Advisory Board, the detail work is in the hands and under the management of the State Forester, who is secretary of the Board, and all correspondence and inquiries should be addressed to him at 1411 Fidelity Building, Baltimore.

Scientific Staff:

| C. F. Winslow, District Forester..... | Laurel |
| Kenneth J. Seigworth, District Forester..... | Salisbury |

The State Forester has studied the timber interests of each of the twenty-three counties in detail and the statistics and information collected are published for free distribution, accompanied by a valuable timber map to all who may apply. He will co-operate with counties, towns, corporations and individuals, in preparing plans for the protection, management and replacement of trees, woodlots and timber tracts under an agreement that the party obtaining such assistance pay at least the field expenses of the men employed. An important work of the Forester is to encourage methods of preventing and extinguishing forest fires which annually destroy thousands of dollars worth of young timber. For this purpose a forest protection system has been established. The state is divided into three districts, each in charge of a District Forester, assisted by seven part-time District Forest Wardens and 650 Forest Wardens. There is also a system of 18 lookout towers for detecting forest fires and 18 forest guards to respond promptly to fire calls.

The laws against setting out fires are very strict. The State and County divide the expense of extinguishing fires.

The Department also administers ten state forests, comprising 37,300 acres in nine different counties. The main purpose of these forests is for timber growing and watershed protection, but they also serve as a recreation ground for the people of the State, being visited every year by thousands for camping and other forms of recreation.

The Roadside Tree Law directs the Department of Forestry to care for those trees growing within the right-of-way of any public highway in the State, and no tree can be cut or trimmed by a corporation or individual without a permit from the Forestry Department, after application has been made to the State Forester. The Forestry Department cooperates with the State Roads Commission in tree planting along state highways.

A State Forest Nursery, established in 1914, furnishes trees at cost for forest planting and for planting along roadsides.

In matters pertaining to the military establishment of the State or the military relations of the State with the United States, communications should be addressed to The Commanding General, Maryland National Guard, Annapolis.

Article 65, Code of Public General Laws of Maryland, authorizes the Governor, as Commander-in-Chief, to have ten aides. The aides to be selected from the commissioned officers of the National Guard and National Guard Reserve, each of them may receive a commission as aide, which, however, shall not add to the actual grade of the officer so appointed, nor shall such officer be relieved from duty with his proper organization, but shall perform all duty pertaining thereto except when actually on duty as aide under the orders of the Governor.

WAR RECORDS OF MARYLAND SOLDIERS AND SAILORS

This department is co-operating with the War Records Commission in assisting the Commission to make their records complete for publication by the official service records of the men from Maryland in the World War as furnished the War and Navy Departments and the U. S. Marine Corps, and from such other authentic sources that are available to this Department.

Numerous requests are received for the service records of men who served in the Revolutionary War, the War of 1812, the Mexican War, the Civil War, Spanish-American War and the World War. Every request is complied with, without charge, if the record is available in the Department, and when not available the applicant is advised of the best authentic source to seek the same. Only in respect to the records pertaining to the Revolutionary, War of 1812, and Mexican Wars are our records rather incomplete and the incompleteness is solely due to the methods used in those days of making and preserving records.

CONTROL OF STATE ARMORIES.

By Act of the General Assembly of 1922 (Art. 65, P. G. L., Md.) the State Armory Commission was abolished and the direct control of all State Armories placed with the ranking line officer of the State, to whom all applications should be made for the use of any armory, provided, however, that when applications are disapproved by the ranking line officer they shall be subject to review and approval of the Board of Public Works, the ranking line officer and the commanding officer of the unit occupying the armory concerned.

In addition to the Fifth Regiment Armory in Baltimore City, State owned armories are now completed in the following towns and cities throughout the State:

| | |
|-------------|---------------|
| Pikesville | Laurel |
| Frederick | Salisbury |
| Hagerstown | Centerville |
| Cambridge | Crisfield |
| Bel Air | Annapolis |
| Elkton | Pocomoke City |
| Hyattsville | Silver Spring |
| Cumberland | Kensington |
| Westminster | Chestertown |

Funds were provided by the 1931 Legislature for the construction of an armory at Towson, and this building will be completed in 1933.

MILITIA LAW OF MARYLAND

The National Defense Act required all States to make their military laws conform with the provisions of the Act, in so far as any State law might have been in conflict or might have been deficient as to certain mandatory features of the Act, to entitle any State to participate in the Federal appropriations for arming, equipping and training the National Guard.

Accordingly, Article 65, P. G. L., Md., was repealed and re-enacted by the Legislature at its January (1922) session in which certain provisions of the National Defense Act have been incorporated as the law of the State, thereby conforming to the Act.

It was also found desirable to provide for the functioning of the ranking line officer of the National Guard on active duty pay status and to place this officer in control of the military department of the State. The authority, prerogatives and duties heretofore held and performed by the Adjutant General have, by the present law, been transferred to the ranking line officer who is responsible only to the Governor, acting for and by his direction in all matters pertaining to the Military Department of the State.

MARYLAND VETERANS' COMMISSION

Chapter 344 of the Acts of the General Assembly of Maryland, Session of 1924, as amended by the Acts of 1929, creates a Soldiers' Relief Fund Commission, with the Adjutant General of the State as Chairman, and two members to be appointed by the Governor. The Governor has appointed as members of this Commission:

Colonel James E. Abbott.....Annapolis
Mr. George G. Neumann.....Annapolis

The Commission consists of three members appointed by the Governor for no specified term of office. One shall be appointed from that one of the two leading political parties opposite to the Governor's political party.

The Governor designates a Chairman who shall also be the Director of the Department of Public Works. (Ch. 29, 1922.)

This Department administers all financial and physical transactions applicable to the construction and maintenance of all State roads and bridges on the road system. (Ch. 539, 1931.) The construction of new roads, whether Lateral or Post, on the system is financed from the proceeds of one and one-half cent ($1\frac{1}{2}c$) gasoline tax, Federal Aid and with contributions from the Counties through bond issues. New bridges on the State system of roads are constructed from proceeds of State Bonds.

The cost of maintaining all existing roads and bridges on the system is first reserved and deducted from the net income derived from automobile license fees imposed and collected by the Commissioner of Motor Vehicles and remitted to this Commission, together with net revenue derived from the two cent (2c) gasoline tax set over to the use of this Commission. After deducting the cost of maintenance from the combined total receipts of the Commissioner of Motor Vehicles, and the two cent (2c) gasoline tax received by this Commission, the remainder of such fund is expended for projects of reconstruction, betterments and additions to the entire system. Grade crossings are eliminated by the expenditure of funds coming into the hands of this Commission from the one-half cent ($\frac{1}{2}c$) gasoline tax, together with contributions by the Railroad companies.

During the fiscal year ended September 30, 1932, the receipts of the Commission from all sources, were \$13,216,568.66, and the expenditures \$13,469,938.08. The expenditure of this sum was made for the following purposes:

THE COMMISSIONER OF MOTOR VEHICLES

Guilford Avenue and 21st Street, Baltimore.

(Term Expires May, 1935.)

| Name. | Postoffice. |
|----------------------------|-------------|
| Commissioner: | |
| E. Austin Baughman..... | Frederick |
| Deputy Commissioner: | |
| D. Marshall Schroeder..... | Frederick |
| Registrar of Titles: | |
| Michael A. Noppinger..... | Baltimore |
| Captain of State Police: | |
| Edward McK. Johnson..... | Baltimore |

The Commissioner exercises, subject to review by the Courts, entire jurisdiction over titling, registration and licensing of all motor vehicles owned or operating continuously within the State. He has jurisdiction and, subject to review by the Courts, sole authority in the examination, qualifications and licensing of all persons operating motor vehicles continuously within the State. Reciprocity with other States gives to owners and drivers of cars coming into Maryland a period of grace before they become subject to car registration, car licensing and driver's permit regulations as provided in the Maryland statutes.

All licensing fees, both for titling and registering cars, and registering drivers, as well as all fines for violations of the traffic regulations and motor vehicle statutes, are collected and accounted for by the Commissioner. The judges of the Baltimore City Traffic Court and the police magistrates in the towns and rural sections make return to the Commissioner on all fines collected. No part of the costs of arrests or prosecutions goes to the State officers operating under authority of the Commissioner, where these officers make the arrests.

The system of licensing all pleasure vehicles on a horse-power basis, commercial vehicles and trucks on a tonnage basis, and public service lines, both freight and passenger, on ton-mile or passenger-mile basis, which had obtained for years in arriving at licensing charges, was changed by the Legislature in 1922. Under this new system, a gasoline tax became operative in Maryland on January 1st, 1924. This tax is in addition to a reduced horsepower fee and adjustments under the other types of fees.

Administration of the detail of collecting the gasoline tax is vested in the State comptroller, the Motor Vehicles Commissioner retaining, however, his former duties in the issuance, at a nominal cost, covering cost of tags and clerical work, of the licensing and registration of cars. The gasoline tax is imposed as an additional charge upon public service vehicles. Their ton-mile and passenger-mile ratings and charges will continue to be computed and enforced by the Commissioner.

All fine and fee income collected by the Commissioner, above the costs of administration of his office and field forces, goes into the State Highway Maintenance fund of the State, thus putting back into the highways built by other means by the State what the motorist is assumed to have taken out in depreciation of surface and base.

In addition to the headquarters supervision of titling all motor vehicles purchased new or changing ownership in the State, and registering and licensing the automobiles, and registering and licensing all drivers of motor vehicles, there operates under the Commissioner's appointment and jurisdiction a corps of motor vehicle enforcement officers. This force of approximately 75 uniformed motorcycle-mounted officers operates largely over the rural highways and in the smaller towns, but has full jurisdiction within Baltimore City. Created originally as an exclusively motor vehicle regulator force, the State officers are now, through arrangements whereby the County Sheriffs vest them with authority as deputies, given jurisdiction under the State Criminal Code. They thereby have the power of arrest in all criminal cases. The Commissioner's field force includes, too, a plain-clothes investigation department, operating in the case of accidents, thefts and similar violations. He also has the appointment of civilian deputies.

While trials, with either dismissals or convictions, carrying fines or jail sentences before magistrates furnish a part of the machinery of the enforcement of the motor vehicle statutes, control of all drivers' permits to operate cars or motorcycles is vested solely in the Commissioner. He not only controls issuance of licenses and can refuse to permit an unfit applicant to operate a car in the State, but in addition he holds the power of suspension for a stated period or the absolute revocation of a driver's permit. This without regard to the action of the Courts in cases tried before them.

Appeal to the Courts from the action of the Commissioner, in suspending, refusing or revoking licenses, is provided in the law, however.

The Governor appoints the Conservation Commissioner for a term of four years from the first Monday in May (Ch. 29, 1922), and the members of the Advisory Committee for a term of four years from June 1 (Ch. 369, 1927).

CONSERVATION

The Conservation Department succeeded the Conservation Commission of Maryland, which was organized in 1915, when the Legislature consolidated the various commissions and boards which dealt with the administration of the natural resources of the State. At that time, there were in existence the Maryland Shell Fish Commission, the State Game Warden, the State Fishery Force and the Board of Fish Commissioners, each of which had some integral part of the above resources under its supervision. The Conservation Commission, when first appointed, was composed of three members, but in 1922 it was reduced to a one-man commission.

The Future of the Crab Supply

The Conservation Department is very much concerned about a bill passed by the General Assembly of the Commonwealth of Virginia during its last session, which permitted the taking of egg-bearing or sponge crabs in the waters of Virginia during the months of April, May and June. Through Governor Ritchie a hearing was arranged before Governor Pollard of Virginia, and a special committee, headed by the Maryland Conservation Commissioner, visited Richmond and strongly protested against the signing of this bill.

Maryland's protest was backed by the United States Bureau of Fisheries, as it was realized that the present increase in the crab supply of the upper Bay was due to the protection afforded the sponge crab. It was pointed out by the Commissioner of Fisheries of Virginia that the sponge crab was so numerous during this period, that the crabber could not fish his trot line without catching female crabs with the egg sponge, and it was his opinion that with mild winters there would be a sufficient supply of sponge crabs remaining in the waters to supply the upper Bay. The Virginia law, it was also pointed out, gave the Commissioner authority to prevent the taking of sponge crabs, should conditions warrant, after giving 15 days' notice to the crabbers and packers. The Conservation Department is carefully watching the supply in our waters, and a special investigation is being carried on from the Chesapeake Biological Laboratory, in the region of the Capes, to determine the migration of young crabs.

Just how important the crab industry is to Virginia and Maryland was brought out at a hearing before the United States Tariff Commission in connection with a request made to Congress to increase the duty on Japanese and Russian crab meat imported into the United States.

It was disclosed at this hearing that the United States produced 83,331,000 pounds of crabs, valued at \$2,568,000. Of this amount, 68,760,000 pounds, valued at \$1,722,000, were caught in Maryland and Virginia waters. Thus it may be seen that the bulk of the American production comes from the Chesapeake.

During 1930, the United States imported about 10,000,000 pounds of crab meat, valued at \$4,600,000. Practically all of this was a canned, hermetically sealed article from Japan, and a duty of 15% ad valorem was placed thereon, and on all crab meat entering the United States. On the basis of the foregoing, the people of the United States consumed about 20,000,000 pounds of crab meat in 1930, of which about one-half was domestic.

The Conservation Department, through its Seafood Auditor, has made a very careful survey of the crab industry of Maryland, in an effort to determine where the supply of crabs and crab meat is at present being marketed. It is astonishing to find that crab shippers are limited in their markets to a few nearby states and cities. With the increase of crabs in our waters during the past five years, these markets have naturally become somewhat congested, and prices obtained have been too low for the watermen and packers engaged in the business to make more than a bare living.

At a meeting held by the Conservation Commissioner at Crisfield during the early autumn of 1932, before the seafood committee of the local Chamber of Commerce, these facts were revealed, and it was proposed to organize units throughout tidewater Maryland, to be followed by a State-wide organization, for the purpose not only of working out an efficient system of marketing crabs and other seafood, but to prevent waste in these industries.

It has been estimated that one-third of the crab production of Maryland during the past two years has been improperly marketed, and if standardized could be obtained and a more efficient system be worked out, either by canning or quick freezing, it will enormously aid the people engaged in the industry, and at the same time widen the distribution of this important seafood of Chesapeake Bay and combat the encroachments of the Oriental product.

When the production of crabs in the Chesapeake in 1925 was 29,000,000 pounds, the main shipping points or markets were Baltimore, Washington, Philadelphia and New York. The Seafood Auditor's survey shows that with an increased production in 1931 to 68,000,000 pounds, the crab packers shipped to substantially the same markets. To show how poorly distributed the supply is, it was found that Baltimore, with 800,000 inhabitants, used 1,500,000 pounds of crabs coming from Maryland waters and 600,000 pounds from Virginia, while the City of New York, with approximately 7,000,000 inhabitants, got only 400,000 pounds from Maryland. Little or no crab meat gets west of Pittsburgh. The great potential market of the Middle West could consume all the surplus crab meat that Maryland might produce, and with proper distribution would give a fair profit to the crab packer as well as the watermen engaged in taking this important seafood.

Commercial Value of the Tidal Waters

The survey previously referred to, which was completed by the Seafood Auditor in co-operation with the United States Bureau of Fisheries, brought out some very interesting facts which are worthy of mention.

In the last few years, the increased value of seafood in certain waters of the State has been marked, especially is this true of Queen Anne's

county waters. This county has 75 square miles of water area and 380 square miles of agricultural lands. In 1925 the oyster production was 111,107 bushels. In 1931 it had increased to 300,090 bushels. The figures for the crab industry are even more spectacular. In 1925 about 1,200 barrels of hard crabs were marketed from these waters, whereas in 1931 the records show 23,094 barrels. Soft crab shipments in 1925 were negligible; in 1931, 203,268 soft crabs were marketed.

According to the Seafood Auditor's statistics gathered for the year 1931, there were 66,633,829 pounds of seafood of all kinds: fish, oysters, crabs, clams, etc., marketed from the waters of Maryland during that year, the value of which is estimated at \$2,705,832. The fishermen engaged in taking these seafoods from the waters total 9,558, and in addition this industry gives employment to 7,712 persons who pack and prepare the water products for market. These people receive \$1,708,958 for their share of the work. Based on these figures, the Conservation Commissioner assesses the value of these "meadow lands" of the Chesapeake to the State of Maryland at \$45,000,000. The State possesses few if any other single resource that surpasses its water crop.

The Oyster Industry

Due to the lack of demand for all commodities and a general overproduction of foods, the oyster interests found difficulty in marketing the crop from our waters. Therefore the production for the 1932-33 season failed to show the increase that was anticipated from the supply of oysters on the bottom. Oysters, fortunately, unlike agricultural crops, which must be harvested at a given time, can remain on the bottoms until the demand increases and be the better for the additional period of growth.

The Conservation Department found it advisable to move young oysters from certain bars where they were overcrowded to other areas where they would have a better opportunity to mature. This was carried out on Hodges Bar, where some 8,000 bushels of oysters were successfully transferred to Love Point for the better growing conditions there afforded. Another transfer of 10,000 bushels of oysters from the shoal water bars of the St. George's river, Potomac section, where they were in danger of destruction from exposure at low tide in severe winter weather, were removed to the safety of deeper water.

In addition to these transfers of oysters, the Department completed the most successful season since the inauguration of its shell replacement policy in 1929 by the placing overboard on selected natural oyster bars of 1,325,515 bushels of shells. This brings the total of shells put back on the depleted rocks of Chesapeake Bay and tributaries to 3,806,522 bushels. From every section of tidewater Maryland the Department is now receiving the fullest co-operation in its shell planting program, as the watermen and packing interest alike see the necessity for and benefits of this work.

Chesapeake Biological Laboratory

One of the most important events in the Department's activities during the past year was the formal opening and beginning of operations at the Chesapeake Biological Laboratory. The dedication of the new building took place on July 19th, and a very interesting group of instructors from several colleges and universities of the State were assembled for the first season's work, which was largely in the nature of an experiment. The following institutions are taking part again in the second season's work: Johns Hopkins University, St. John's College, the University of Maryland, Goucher, Washington and Western Maryland Colleges.

Salt Water Fisheries

1932 was an unusually good year for the salt water fishermen in Chesapeake Bay, both for those engaged in taking fish in a commercial way by nets, and for those who resort to the Bay and its tributaries for sport. Fish were plentiful in every section, especially the blue fish, or tailor, which from early in the season until frost were found in great abundance. The spring output of the commercial fish hatcheries maintained by the State showed an increase in both white perch and shad, the former amounting to 128,320,000 and the latter 8,712,400 fry liberated in the State waters.

Sport fishing in the Chesapeake is becoming more popular each year. The Deputy Commanders of the Maryland Patrol Fleet, acting under instructions from the Department and taking in the major fishing resorts of the Bay, recorded during one week in August the number of persons engaged in fishing in their several districts. The total figures showed that 2,621 trips were made during the week and 16,805 persons engaged in the sport. At an average of \$8 a boat trip, it was estimated that the watermen who hired their boats received \$20,968. It was also calculated that half of these pleasure seekers remained at boarding houses and hotels in the vicinity of the fishing grounds for approximately two days, spending in the neighborhood of \$5 a day, which meant that they put \$83,195 in circulation for that item alone. It can readily be seen that these sportsmen materially help the tidewater sections of the State during the summer season.

The Public Service Commission of Maryland was created by Chapter 180 of the Acts of 1910, effective April 5, 1910.

The Governor appoints the three members of the Commission, one of whom he designates as Chairman. The term of office is six years, and the term of one Commissioner expires every two years. The Governor also appoints the General Counsel to the Commission for a term of six years.

The Commission has jurisdiction over steam and electric railroads, street railways, common carriers generally, including all railroad corporations, express companies, sleeping car companies, steamboat, power boat and ferry companies, toll bridges and also motor vehicles engaged in the public transportation of passengers and freight. The Commission also has jurisdiction over gas companies, electric companies, telephone companies, telegraph companies, water companies and heating and refrigerating companies. The jurisdiction of the Commission is limited to operations within the State of Maryland.

The supervision and jurisdiction of the Commission covers the service furnished, the rates charged, the capitalization, the issue of stocks, bonds, and other securities, the right to exercise franchises granted by the counties and by the cities, the right to fix rates for service and to fix standards for service, and general supervisory and regulatory powers over the utilities subject to its jurisdiction. In the exercise of this supervision and jurisdiction, it is the purpose of the Commission to insure and maintain to the public safe and adequate service, at just and reasonable rates, without unjust discrimination.

The Commission is given power to investigate and ascertain the fair value of the property of corporations subject to its jurisdiction.

An annual report showing the financial conditions and operations of each utility under its jurisdiction is required to be filed with the Commission.

By legislation enacted subsequent to the original Act, the Commission has been given power to fix minimum as well as maximum rates, to suspend schedules of rates pending the determination of the reasonableness of the rates proposed, and utilities are forbidden to abandon or discontinue the exercise of franchises without the permission and approval of the Commission.

The Commission has also been authorized to make joint investigations, hold joint hearings, and issue joint or concurrent orders in conjunction or concurrence with any official board or commission of any State or of the United States, under agreements or compacts between States or under the concurrent power of States to regulate interstate commerce, or as an agency of the Federal Government, or otherwise.

The Commission is required by law to test all electric meters and gas meters before installation, and to test meters upon request of the consumer.

The Commission maintains a laboratory in which daily tests are made of the gas furnished in the City of Baltimore, and its inspectors also make regular and frequent tests of the gas and electricity furnished in other parts of the State.

The proceedings before the Commission frequently require hearings, and all such hearings are public and are reported by a stenographer, and a permanent record thereof is kept.

In the case of *ex parte* applications of utilities for permission to exercise franchises, to issue securities or otherwise invoking the jurisdiction of the Commission, the applicant is required to advertise, at its own expense, giving notice of the hearing to be had, so that the public interested may be advised thereof and given the opportunity to be heard with respect thereto.

One of the most important amendments to the original Act is that providing for representation by counsel of the interests of the public in all proceedings before the Commission. The Act now provides for the appointment by the Governor of an experienced and qualified lawyer as People's Counsel, and it is the duty of this official to represent the interests of complainants and of the public generally in proceedings before the Commission.

By Chapter 485 of the Acts of 1931 the Commission is given full jurisdiction over taxicabs operating in Baltimore City. One requirement of this law is that all such taxicabs shall carry insurance or give bond to indemnify the public.

THE STATE INDUSTRIAL ACCIDENT COMMISSION

741 Equitable Building, Baltimore.

| Name. | Term Expires. | Postoffice. |
|-------------------------------|---------------|-------------|
| Robert H. Carr, Chairman..... | 1935..... | Baltimore |
| Omar D. Crothers..... | 1939..... | Elkton |
| Daniel R. Randall..... | 1937..... | Baltimore. |

Secretary, Albert E. Brown, Baltimore.

Governor appoints three, not more than two of whom shall be of the same political faith, one for 6 years, one for 4 years, and one for 2 years, and as these terms expire the successor is appointed for 6 years. The Governor designates the chairman. (Ch. 800, 1914.)

The State Industrial Accident Commission is charged with the duty of administering the Workmen's Compensation Law. The law provides, first, for the payment of compensation to employees injured in certain extra-hazardous employments, and to their dependents in case of death; second, that all employers in such occupations shall secure the payment of such compensation by insuring their liability in a stock mutual company, or the State Accident Fund, or by proving to the satisfaction of the Commission their financial ability to pay the compensation.

The business of the Commission is to administer the Workmen's Compensation Act and involves determining what occupations are included, receiving reports of accidents, receiving, investigating and adjudicating claims arising under the Act. Hearings are held in contested cases. In addition to these duties, the Commission administers the State Accident Fund, which is provided by the Act as one of the methods by which employers must insure.

The General Assembly of Maryland in its session of 1929 amended the Workmen's Compensation Law, giving the Commission the power to formulate reasonable rules and regulations for the establishment and maintenance of safety, having in mind the prevention of and reduction in accidents in occupations governed by the provisions of the Workmen's Compensation Law. Shortly after the adoption of this amendment the Commission organized a Safety Department for the purpose of carrying on this work, which department is administered by the Commission.

Since the passage of the Workmen's Compensation Law in 1914 there have been numerous amendments passed by the General Assembly. These amendments had in view the purpose of adapting the law to conditions as they now exist. Some of the more important changes were made in 1931 on the recommendations of a committee appointed by the Governor for that purpose, and were concurred in by representatives of employees, employers and insurance carriers.

The jurisdiction of the State Industrial Accident Commission is continuing. Many petitions for reopening or rehearing, after final settlement of claims, are presented, requiring long record of medical and other testimony, many resulting in appeals. This greatly increases the work and expense of the department from year to year.

When the General Assembly of Maryland in 1914 passed the Workmen's Compensation Act, they recognized the fact that employers might be put in the position where they would not be able to comply with the

Act due to the fact that the private insurance companies would refuse to carry their risk. Furthermore, they felt that inasmuch as this form of insurance was compulsory under the State Law, that they should provide a place where the insurance could be secured at practically the cost of writing this form of insurance. They, therefore, created the State Accident Fund to be administered by the State Industrial Accident Commission. This Fund has grown gradually and has become the largest writer of Compensation Insurance of Maryland business in the State and is in a strong financial condition, affording sure and ample protection under the Workmen's Compensation Law of Maryland. Due to the fact that the Fund is endeavoring to furnish this protection at as near cost as possible, it has saved a great deal of money for those who have insured through it.

Effective March 1, 1926, the Commission inaugurated a new merit-rating system, the purpose of which is to reward and stimulate the policyholders of the Fund in their work of accident prevention and to measure the rate more closely to the individual hazard of the policyholder, preserving to the policyholder, of course, the basic principles of insurance protection, so that any severe losses will still be distributed. This merit-rating system is working out very satisfactorily, and is offering an incentive to the policyholder to take a greater interest in accident prevention in his plant.

The expense of operating the State Industrial Accident Commission is not a burden upon the taxpayers of the State as the entire expense of the Commission, not including the State Accident Fund, is borne by the private insurance companies which write Compensation Insurance, self-insurers and the State Accident Fund, while the cost of operating the State Accident Fund is borne by policyholders insuring in the Fund.

The Bureau of Mines was created in the State Board of Labor and Statistics by the General Assembly of 1922. The Chief Mine Engineer was appointed by the Governor from a list of eligibles prepared by the State Employment Commissioner. The Act became effective October 1, 1922.

The Act was prepared by a special commission appointed by the Governor and supersedes the several local laws which governed mining operations in this State prior to the enactment of this law.

The Act makes provision for the inspection, sanitation, ventilation and safeguarding of all the operations connected with mining. Provision is also made for the weighing of all coal mined in the State.

It is the duty of the Chief Mine Engineer to enforce all provisions of the Act. He is given the authority to make and enforce necessary rules and regulations in connection with the enforcement of the Act and the operation of the mines. After hearings had been held in Frostburg and Westernport between the Chief Mine Engineer and operators and miners, such regulations were issued and became effective March 13, 1929, and have been in force since that date. (Ch. 307, 1922.)

There was created by this Act in the Bureau of Mines a State Mine Examining Board with powers to examine and pass upon the qualifications of applicants for certificates of competency as mine foremen, assistant mine foremen, and fire bosses. Ten examinations have been held at Frostburg, Maryland. The personnel of the Mine Examining Board is as follows:

The Governor, without Senate confirmation, appoints one State Employment Commissioner for a term of six years from October 1, 1931. The other members of the staff of the Commissioner are in the classified service.

The Merit System Law of Maryland (Article 64-A, page 2160, Annotated Code of Maryland—Bagby) creating the State Employment Commission was passed in 1920 during the first legislative session of the first administration of Governor Ritchie. It embodies advanced principles of personnel legislation which have made possible the inauguration in Maryland of a progressive personnel program based upon the most favorably accepted practices in both the public and the private fields of employment.

The number of positions in the executive division of the Maryland State service under the jurisdiction of the Merit System Law when originally enacted and those that have been added by subsequent executive orders gives this State a high rank among governmental units in the ratio of the classified employees to the total number of employees. There is no provision in the Law for exempt, non-competitive, or labor groups of employees in the classified service in recognition of the fact that all positions which may properly be placed in the classified service may be handled on the competitive basis. The classified positions range from those held by the lowest paid employees in the institutions to those held by the bureau and division chiefs of the various departments.

The provisions of the Law regarding selection, regulation, and separation of employees acknowledge that a central technical agency is in a better position to deal with these features of a well-rounded personnel system than are the individual unrelated departments of government and that every department has personnel problems sufficiently alike to make their central control not only practical but also economical.

The Maryland Law provides for a one-man Commission instead of a multiple board which is recognition of the fact that promptness of action and of decision, so necessary in personnel matters, can be expected when the administrative authority is vested in one person under executive direction. While this type of organization is unusual in public personnel administration in the United States, it is the universal type in the provincial governments of Canada and in private organizations.

By Act of the General Assembly, Session of 1922, Part XVI, Chapter 29, there was established the Department of State Employment and Registration, to be composed of the State Employment Commissioner and the various examining and licensing boards of the State, with such additional boards as may hereafter be provided for, the head of this department to be the State Employment Commissioner, and to be known as the Commissioner of State Employment and Registration.

The chief duties devolving upon the Commissioner are the classifying and preparing of specifications for all positions in the classified service; the listing, by appropriate tests, of qualified eligibles for appointment to vacancies which occur or are created; the regulation of such personnel matters as, salary adjustments, transfers, promotions, reinstatements, leaves of absence, and lay-offs; the establishment of procedure to assure tenure of service to those doing meritorious service; and the providing of ways and means for the prompt removal from the service of those who have become indolent, incompetent, inefficient, or otherwise unfit to remain therein. The Commissioner is also required to check payrolls in advance of the payment of salaries to employees in the classified service and to certify to the legality of the appointment of such employees.

The cost of operation of the office of the State Employment Commissioner has, each year, been approximately one-half of one percent of the salary budget for the several departments and institutions of the executive division of the State government. This is considered a nominal cost for the operation of a personnel system in which the recognized features of personnel management are handled and, from statistics available and in the judgment of those who are familiar with the operation of personnel programs, Maryland ranks among the first, both in effectiveness and in economy of operation.

The Twelfth Annual Report, giving in detail the activities of the Commissioner for the fiscal year ended September 30, 1932, has been issued and is available for distribution upon application to the office of the Commissioner.

The duties of the Board are to examine all films, reels or views to be exhibited or used in the State of Maryland; to approve such as are moral and proper, and to condemn or eliminate those which, in the judgment of the Board, tend to debase or corrupt morals, or incite to crime.

The Board receives in advance a fee of \$2.00 for each 1,000 feet of film, or fractional part thereof, submitted for examination, and \$1.00 for each duplicate of 1,000 feet, or fractional part thereof, if submitted within a year after the examination and approval of the original film. Upon completion of the examination the Board issues a certificate stating the result of the examination and furnishes an official approval seal, record of which is kept by the Board.

Persons submitting films to the Board for examination, if dissatisfied with the result of the first examination, may, upon appeal, submit the same film to the Board for re-examination, and finally to the City Court of Baltimore.

Any person failing to display the approval seal of the Board may be fined from \$5.00 to \$10.00, or in default of payment shall be sentenced to imprisonment from two to five days.

The law under which the Board was operating was found to be inadequate. A bill, therefore, was introduced and passed by Act of the Legislature of 1922, Chapter 390, which repealed and re-enacted each and every section of the original Acts of 1916, 1918 and 1920, with amendments and changes, conferring additional powers upon the Board and providing increased penalties for violations of the Act.

The Board is authorized to issue permits free of charge to organizations of the above character where exhibitions of films of the above type are to be shown in public places of amusement, such permits to be issued at the discretion of the Board and without examination of film, provided proper affidavits of character of film are made to the Board.

The inmates are all colored boys between the ages of 10 and 21 years. Each boy under 16 years of age is required to attend school one-half of each day and be engaged in some industrial work the other half. All inmates over sixteen years of age are required to attend school for one and a half hours five nights a week. Various industries are taught, the principal one being farming. The larger boys are carefully trained in practical farming. All the work of the farm of 1,250 acres is done by the boys under a head farmer and an assistant. The other industries in which the boys are trained are tailoring, shoemaking, painting, laundering, baking and broom making; others are taught to be waiters. All the clothing worn by the boys, except uniforms and military caps and shoes, now are made by them.

The boys are committed by the courts and magistrates of the State and City of Baltimore. Those coming from Baltimore are committed mostly by the Juvenile Court. All commitments are during minority, but are really indeterminate, as, by an honor system, a boy may earn his parole in one year after he enters the institution.

This institution is about to be discontinued and the State will take over the care of colored female minors. This new State institution will be known as the Maryland Training School for Colored Girls. It will be managed by a Board of nine members. CHESAPEAKE BAY BRIDGE COMMISSION

The Legislature of 1931, by Joint Resolution No. 22, directed the State Roads Commission, supplemented by such other assistance as the Governor might deem advisable, to investigate thoroughly the practicability of a bridge or tunnel across the Chesapeake Bay, and if the same should be deemed practicable from an engineering and traffic standpoint, then to recommend the proper location and the proper method of financing the undertaking. This commission is required to report its findings to the Governor as promptly as possible, in order that the Governor may make the same public, and take such further action thereon as he may deem best for the interest of the State. The members of this commission are:

Howard Bruce, Chairman, Elkridge.
John K. Shaw, Eccleston.
B. Howell Griswold, Jr., Baltimore.
Donald Symington, Garrison.
G. Clinton Uhl, Chairman State Roads Commission, Baltimore.
E. Brooke Lee, Member State Roads Commission, Silver Spring.
Robert Lacy, Member State Roads Commission, Baltimore.

The Commission felt that the financial situation which developed in 1932 and 1933 made it impracticable for the State to consider building the bridge, and the Commission did not submit any formal report to the Legislature of 1933 because of negotiations with the Reconstruction Finance Corporation which were still pending when the 1933 Session of the Legislature adjourned.

JUVENILE COURT COMMITTEES

The Act of 1931, Chapter 323, authorized the appointment by the Governor of a Magistrate for Juvenile Causes in each of the counties of the State, except Allegany, Washington and Baltimore Counties, provided the Board of County Commissioners decide to have such a Magistrate, and fix and make provision for the payment of the Magistrate's salary.

This law also requires the Governor to appoint a Juvenile Court Committee for each of the counties to which the law applies. When one of these counties decides to have a Magistrate for Juvenile Causes, then it is the duty of the Juvenile Court Committee for that county to recommend to the Governor qualified persons for the position, and after the Magistrate has been appointed the Committee from time to time is to advise with the Magistrate in respect to the selection of probation officers and other matters.

In each county the Juvenile Court Committee consists of five members, whose terms are four years each.

BEER LEGISLATION AND LICENSING

The Legislature of 1933 took prompt advantage of the liberalization of the Volstead Act, and the sale of beer was authorized in Baltimore City, and in all counties of the State except three, Caroline, Carroll and Garrett Counties, in each of which the same was made subject to a referendum.

The State-wide beer law is Chapter 213 of the Acts of 1933. This Act legalizes the manufacture, transportation and sale of beer and wines containing 3.2 percentum of alcohol by weight. Licenses are granted by the Clerks of the several Circuit Courts, and are divided into two classes. "On Sale Licenses" permit the sale of such beverages for consumption on the premises only, and the license fee for this is \$50.00 a year. "Off Sale Licenses" permit the sale of such beverages in packages containing not less than one dozen bottles, or single containers of not less than five gallons content, for consumption off the premises only, and the license fee for this is \$25.00 a year.

Each application for a license must be supported by the affidavit of ten reputable citizens, voters and taxpayers. The application must then

be advertised in a local newspaper, and if objections in proper form are not filed within a period of one week, then the license is forthwith issued. If objections are filed within said period by ten or more reputable citizens, voters and taxpayers residing in the election district in question, then the same are referred to the Bureau of State Licenses, and are there heard and decided by the Chief Inspector and two assistants, appointed by the Comptroller, subject to the approval of the Governor.

For this purpose the said Bureau consists of the following:

Chief Inspector:

Frank P. Bratten, Pocomoke City.

Assistants:

W. Clinton McSherry, Frederick.

L. Franklin Purnell, Ocean City.

This law applies to the following counties of the State: Anne Arundel, except the City of Annapolis; Calvert, Cecil, Charles, Dorchester, Frederick, Kent, Montgomery, Queen Anne's, Somerset, Talbot, Wicomico and Worcester.

Baltimore City and the following counties are exempted from the application of the Act: Baltimore, Harford, Howard, Prince George's, St. Mary's, Caroline, Allegany, Washington, Garrett, Carroll and the City of Annapolis.

The Legislature of 1933 enacted special laws covering the sale of beer in each of the above exempted counties, and in the City of Annapolis.

The chapter numbers of these laws are as follows:

| | Chapter |
|---|---------|
| Allegany | 389 |
| City of Annapolis..... | 392 |
| Baltimore | 522 |
| Caroline | 523 |
| Carroll | 525 |
| Garrett | 524 |
| Harford | 393 |
| Howard | 489 |
| Prince George's..... | 488 |
| Prince George's, referring to Laurel..... | 390 |
| Washington | 490 |
| St. Mary's | 388 |
| St. Mary's | 40 |

In Caroline County (Acts 1933, Ch. 523), in Carroll County (Acts 1933, Ch. 525) and in Garrett County (Acts 1933, Ch. 524) the sale of beer was made subject to a referendum at the special election of September 12, 1933. At this election Caroline County and Carroll County voted for the Beer Law and Garrett County voted against it. At the same election Washington County, under the Act of 1933, Chapter 114, voted to repeal the Prohibition and Local Option Laws of that county.

In Montgomery County, Chapter 466 authorizes a referendum from January 1, 1934, to May 1, 1934, on the petition of twenty per cent of the registered voters of certain specified voting sub-divisions for the exemption of the same from the application of the State-wide law.

In Prince George's County, the licensing is controlled by a Board of Beer License Commissioners, appointed by the Governor with the advice and consent of the Senate when in session, and the members of the Board are as follows:

| <i>Name</i> | <i>Address</i> |
|----------------------------------|----------------|
| Henry L. Morris.....(Dem.) | Upper Marlboro |
| Mrs. Mary W. Browning.....(Dem.) | Janham |
| W. H. Brooke.....(Rep.) | Upper Marlboro |

In Baltimore City the subject is regulated by Chapter 491 of the Acts of 1933. This chapter provides for a Board of Licensing Commissioners, appointed by the Governor, with the advice and consent of the Senate, and the members of the Board, whose terms are for two years each, are as follows:

| <i>Name</i> | <i>Address</i> |
|---|----------------|
| Frederick A. Dolfield, Chairman..... | Baltimore |
| Henry F. Broening, Commissioner..... | Baltimore |
| John M. Knox, Commissioner..... | Baltimore |
| Harry C. Sanner, Executive Secretary..... | Baltimore |
| Miss Helen C. Bardoff, Assistant Secretary..... | Baltimore |

(Office, 213 City Hall, Baltimore.)

The license fee authorizes sales both on and off the premises, and is \$50.00 a year.

MARYLAND PUBLIC WORKS PROJECTS UNDER NATIONAL RECOVERY ACT

As soon as this law was passed by Congress and signed by the President, Governor Ritchie appointed the Maryland Public Works Committee, whose duty it is to recommend projects to the Federal Government to be financed from the Federal appropriation in accordance with the terms thereof.

The members of this committee are as follows:

| | |
|---------------------------------|------------|

Mr. Bernard L. Crozier, City Hall, Baltimore, Md.

Mr. Eugene H. Beer, City Hall, Baltimore, Md.

Fifth District:

Hon. Howard W. Jackson, Mayor of Baltimore City.

Abel Wolman, Chief Sanitary Engineer of the State of Maryland.

E. Brooke Lee, State Roads Commission, Silver Spring.

Henry F. Broening, President Baltimore Federation of Labor, Baltimore.

William P. Lane, Jr., Attorney General, Hagerstown.

This committee constituted an Executive Committee, composed of the two United States Senators, the six Congressmen, Governor Ritchie, Mayor Jackson and Mr. W. Frank Roberts, ex-officio.

The Federal Government appointed a Maryland Advisory Committee on Public Works composed as follows:

William C. Stettinius, Baltimore.

J. Vincent Jamison, Hagerstown.

Charles E. Bryan, Havre de Grace.

Abel Wolman, Chief Engineer, Baltimore.

This Committee has its offices established in the Baltimore Trust Building, Baltimore, and as this Manual goes to press it is considering the various Maryland Public Works Projects for submission to the Federal Government.

Mr. George L. Radcliffe of Baltimore was appointed by the President, Chairman and Director of the Tenth Regional Board under the Federal Public Works Administration. This region includes the States of Maryland, West Virginia, Virginia, Delaware, Kentucky, Tennessee and North Carolina.

At the time this Manual goes to press the Federal Government has not completed its organization to receive recommendations from the State, and methods of financing have not been definitely established, so that the Maryland projects to be recommended are not yet ready to be announced.

WELFARE AND UNEMPLOYMENT RELIEF

In August, 1932, Governor Ritchie appointed what was known as the Advisory Committee on Unemployment Relief to survey the relief needs in the counties of Maryland. The members of this committee were as follows:

Howard Bruce, Banker, Baltimore.

Paul T. Beisser, President State Conference of Social Work, Baltimore.

James M. Hepbron, Director of the Community Fund, Baltimore.
Rev. Edwin L. Leonard, Director of Catholic Charities, Baltimore.
Harry Greenstein, Director of Associated Jewish Charities, Baltimore.
Walter N. Kirkman, State Purchasing Agent, Baltimore.
Richard F. Cleveland, Member of the Board of State Aid and Charities, Baltimore.

The conditions in Baltimore City were being surveyed and taken care of under the direction of Mayor Jackson, through the established welfare agencies.

The State committee investigated the situation throughout the counties of the State, and while it had no funds at its disposal it was able to do effective work in co-ordinating and directing existing county relief agencies, in establishing sources of information in interesting representative people, and in other ways.

At the Legislature of 1933, Governor Ritchie recommended a State bond issue of \$12,000,000 to take care of relief expenditures of Baltimore City, from November 1, 1931. This issue is to be financed for two years through a drastic reduction in the State Budget, one-half of which was allocated for this purpose, and the other half of which was applied to the reduction of local taxes in the various counties.

At about the close of the 1933 Session of the Legislature, the unemployment needs of some of the counties became acute, and application was made to the Reconstruction Finance Corporation for a comparatively small amount of Federal aid, which was granted. This continued until the work of the Reconstruction Finance Corporation was taken over under the provisions of the Federal Emergency Relief Act. The unemployment needs in Maryland are now being financed through the portion of the \$12,000,000 State bond issue remaining after Baltimore City has been reimbursed for past relief expenditures, supplemented by Federal grants through the Federal Emergency Relief Administrator.

By an amendment to the laws governing the Board of State Aid and Charities at the 1933 Session of the Legislature this Board was given complete supervision and control as of June 1, 1933, of all unemployment relief throughout the State. A sub-committee of the Board of State Aid and Charities was appointed by Samuel E. Shannahan, Chairman of the Board, to supervise unemployment relief, which committee is as follows:

Richard F. Cleveland, Chairman, Baltimore.
Sidney Hollander, Baltimore.
William L. Galvin, Baltimore.

Through the generosity of the Associated Jewish Charities, their director, Mr. Harry Greenstein, was made available without expense to the State, to act as State Unemployment Relief Administrator for a period of nine months. Miss Anita J. Faatz, Supervisor of Social Welfare, acted as the executive officer of the Advisory Committee on Unemployment Relief prior to June 1, 1933, and since then has been assisting Mr. Greenstein. In each of the counties receiving Federal relief funds there has been set up a County Welfare Board, whose personnel is selected by the County Commissioners and the Board of State Aid and Charities. At this time County Welfare Boards have been organized and are operating in twelve counties and also in the City of Cumberland.

In Baltimore City the relief funds made available by the Federal Government and the State loan of \$12,000,000 are being administered by the Baltimore Emergency Relief Commission, appointed by Mayor Howard W. Jackson. This commission has taken over the four private agencies which have been administering relief so effectively for a period of more than two years, and hereafter, although the personnel of the city staff will be largely made up of representatives of the four private agencies, they will definitely be designated as public agents subject to the control of the City Commission, the Board of State Aid and Charities and the Federal Relief Administrator.

Maryland has not yet accepted the provisions of the Wagner Act, but Mr. Oliver C. Short, State Employment Commissioner, has been appointed Re-employment Director under the Federal Re-employment Act, and as this Manual goes to press the necessary local committees to administer that act are being organized in Baltimore City and in the various counties of the State.

Maryland has also, of course, taken advantage of the emergency conservation and reforestation work, authorized by the Federal Government.

The Board of Supervisors of Elections of Baltimore City is hereby authorized and directed to have separate ballots printed to be used in the said Special Election, on which ballots shall appear, in clear and plain type, the whole of this ordinance, after which shall be printed on separate lines, with a square or box to the right, and opposite the words "For the Ordinance," and a corresponding square to the right, and opposite the words "Against the Ordinance," so as to give each voter a clear opportunity to designate by a cross mark in the proper square or box, his or her vote for or against the said ordinance, and the said ballots shall be printed upon paper of a different color from the other ballots in use at the primary election. The said ballots after being voted, shall be returned to the Judges of Election and retained in a separate ballot box until the close of the polls, and they shall be counted, canvassed, returned and certified as in other cases. The Board of Supervisors of Elections of Baltimore City shall give notice of the Special Election at which this ordinance is to be submitted by the publication of said ordinance in full in one or more daily newspapers published in Baltimore City, the said notice to be given not less than two, nor more than ten days before the date of said Special Election, but if for any reason said notice shall not be given in the manner herein prescribed, such failure shall not invalidate this ordinance or prevent its taking effect, if approved. The Board of Supervisors of Elections of Baltimore City shall make all necessary arrangements for the Special Election provided for by this ordinance, and the Constitution and Laws of this State relating to elections, and the provisions of the Corrupt Practices Act shall apply in all particulars whenever applicable, except as otherwise provided by this ordinance.

SKETCH OF THE GOVERNOR

Governor: ALBERT C. RITCHIE (Democrat), Baltimore.

Albert C. Ritchie was born August 29, 1876. He is a member of the Protestant Episcopal Church. His father was Judge Albert Ritchie, who had been a member of the Maryland Constitutional Convention of 1867, City Solicitor of Baltimore, City Counsellor of Baltimore, President of the Maryland Historical Society, Professor at the University of Maryland Law School, and Judge of the Supreme Bench of Baltimore City. His mother, before her marriage, was Miss Elizabeth Caskie Cabell of Richmond, Virginia.

Mr. Ritchie received his early education in private schools in Baltimore and graduated from the Johns Hopkins University in 1896 with the degree of A. B., and from the University of Maryland Law School in 1898 with the degree of LL. B. In 1920 he received the degree of LL.D. from the University of Maryland and from St. John's College, in 1923 from Washington College, and in 1929 from Loyola College.

Upon his graduation, Mr. Ritchie began the practice of law in Baltimore City with the firm of Steele, Semmes, Carey & Bond, of which firm he became a member in 1900. In March, 1903, he was appointed Assistant City Solicitor of Baltimore City, holding this position until July 1, 1910, when he resigned.

In November, 1903, Mr. Ritchie formed a partnership for the general practice of law with Mr. Stuart S. Janney, under the firm name of Ritchie & Janney, which firm later became Ritchie, Janney & Griswold, and still later Ritchie, Janney & Stuart. Mr. Ritchie was a member of this firm until his election as Governor.

In 1907 he was appointed Professor of Law at the University of Maryland Law School and served in this capacity until his election as Governor.

On July 1, 1910, Mr. Ritchie became Assistant General Counsel to the Public Service Commission. This is the position popularly known as People's Counsel, and it was in this capacity that Mr. Ritchie represented the people of Baltimore in his noteworthy fight for cheaper gas and electricity, which resulted in reducing the price of gas from 90 to 80 cents per 1000 cubic feet, and the price of electricity from 10 to 8½ cents per K.W.H. On February 16, 1913, Mr. Ritchie resigned this position to devote his time to private practise.

In September, 1915, Mr. Ritchie was nominated in the direct primary on the Democratic ticket for Attorney-General of Maryland, and in November, 1915, he was elected to that office by a majority of 25,000.

Mr. Ritchie served as Attorney-General from December 20, 1915, to December 20, 1919. He organized the first State Law Department of Maryland, which took over the legal work of all of the State Departments except the Public Service Commission, thus doing away with the employment of numerous special counsel, and resulting both in economy and increased efficiency to the State. At the War Session of 1917 he prepared or supervised all special legislation made necessary by the war, and this work served as a model in many States.

On June 3, 1918, Mr. Ritchie was appointed General Counsel to the United States War Industries Board, serving in this capacity until December, 1918, when the Board was dissolved. He secured a leave of absence from his duties as Attorney-General and moved to Washington in order to devote his entire time to war work.

In September, 1919, Mr. Ritchie was nominated without opposition as the Democratic candidate for Governor of Maryland, and in November, 1919, he was elected by the narrow margin of 165 votes. This was more of a victory than the figures indicate, because a Republican plurality of 10,000 in the Baltimore City Mayoralty election of May, 1919, was converted into a Democratic plurality of 1800 in November of the same year.

Governor Ritchie's first term was noteworthy for a number of constructive achievements.

The State Reorganization Bill and the Fewer Elections Bill were passed.

He fostered and developed the Public School System of the State, until, from a position of stagnation, it now equals the best in the country.

He advocated and pursued the policy of building and maintaining the roads of the State until Maryland stands second to no State in the Union in the excellence of its highways.

He established the Merit System for State employes.

He inaugurated a business system of purchasing State supplies, effecting a remarkable saving of the taxpayers' money.

He secured the passage of model legislation on the subject of co-operative marketing, the eradication of tuberculosis from dairy herds and the promotion of agriculture.

He redrafted and liberalized the Workmen's Compensation Act and advocated and secured legislation protecting the health and safety of the miners of the State.

When, in 1922, President Harding, during the coal miners' strike of that year, called upon the Governors of all the coal producing States to send troops to the mines, Governor

Ritchie, alone among them all, declined to send troops to the mines and took the position that the situation should be met by mutual agreement and not by the bayonet. The strike was finally settled by mutual agreement.

Governor Ritchie was elected President of the Maryland State Bar Association for the year 1922-1923.

In September, 1923, Governor Ritchie was renominated without opposition for a second term as Governor, and in November, 1923, was re-elected by a plurality of over 40,000.

In September, 1926, Governor Ritchie was renominated for a third term, receiving a majority in the primary of over 81,500 and the unanimous vote of the Democratic State Convention. He was re-elected in November, 1926, by a majority of practically 60,000.

At the 1929 Session of the Legislature Governor Ritchie recommended and put through the most extensive program ever adopted in the State for highway construction, new bridges and the elimination of railroad grade crossings. At the same Session important legislation was enacted for vocational rehabilitation, safety in industry, the education of crippled children, and mothers' pensions.

In September, 1930, Governor Ritchie was renominated without opposition for a fourth term, and in November, 1930, he was re-elected by a majority of practically 66,000, the largest majority by far ever received by any candidate for Governor in the history of the State.

Maryland has elected her Governors by popular vote since 1838, and ever since the Constitution of 1864 there has been no prohibition against any Governor succeeding himself. But no Governor of either party ever did so, and no Democratic Governor was ever renominated, until Governor Ritchie broke both precedents by being nominated and elected for four successive terms, with majorities of 165 in 1919, 40,000 in 1923, 60,000 in 1926, and 66,000 in 1930.

Governor Ritchie was Delegate-at-Large to the Democratic National Convention in 1932.

At the 1933 Session of the Legislature, in addition to sponsoring legislation for the sale of beer and for a Constitutional Convention to act in the repeal of the Eighteenth Amendment, Governor Ritchie accomplished a drastic reduction in the State Budget, the savings from which were applied to financing a \$12,000,000 State bond issue for unemployment relief in Baltimore City, and to a very substantial reduction in local taxation in the counties. In addition to this, the Budget submitted by Governor Ritchie completed a reduction in the State tax rate during his ad-

ministration from 36 31/72 cents for 1920 to 23 cents for 1934 and 1935. This is the lowest State tax rate since 1911, and represents a reduction during this fourteen-year period of over 36 per cent, which is without precedent in Maryland for any year or period of years since the Civil War.

Secretary of State: DAVID C. WINEBRENNER 3d (Democrat),
Frederick, Maryland.

David C. Winebrenner 3d, the elder son of D. Charles and Eleanor Nelson (Ritchie) Winebrenner, was born in Frederick, Maryland, on June 16, 1897. He received his early education in the public schools of Frederick and at St. Paul's School, Concord, New Hampshire, from which he was graduated in 1916. He entered Princeton University the fall of the same year and left in May, 1917, to go to France with the First Princeton Unit of the American Field Service. After serving a six months' enlistment with that organization he returned to the United States in December, 1917, and enlisted in the American Air Forces, in which he served until the signing of the Armistice.

Following the Armistice, Mr. Winebrenner taught at St. James School, the Episcopal Diocesan School for Boys, near Hagerstown, Maryland, until June, 1919. In the fall of the same year he entered the Law School of the University of Maryland, from which he was graduated in 1922. In 1921, prior to his graduation from law school, Mr. Winebrenner passed the Maryland Bar Examinations and was subsequently admitted to practice.

Returning to his home in Frederick, Mr. Winebrenner commenced the practice of law in June, 1922, and the following year formed a partnership with Francis H. Urner, Esq.

In 1923 he was appointed as Private Secretary to United States Senator William Cabell Bruce, which position he held until December 31, 1924.

In May, 1924, Mr. Winebrenner was nominated for Congress in the Sixth Congressional District on the Democratic ticket in a four-cornered primary, but was defeated in the November election by Congressman Frederick N. Zihlman. Shortly thereafter Mr. Winebrenner dissolved his law partnership with Mr. Urner and formed a new one with Walter E. Sinn, Esq., which firm now practices in Frederick under the name of Winebrenner and Sinn.

Mr. Winebrenner was appointed Secretary of State of Maryland on December 8, 1925, by Governor Ritchie to succeed E. Brooke Lee, resigned, and was reappointed on January 12, 1927, and again on January 14, 1931.

Attorney-General: WILLIAM PRESTON LANE, JR. (Democrat),
Hagerstown, Maryland.

William Preston Lane, Jr., son of Colonel William P. Lane and Virginia Lee Cartwright Lane, was born on May 12, 1892, in Hagerstown, Washington County, Maryland. He received his early education in the public schools and graduated from the Hagerstown High School in 1910. He attended the University of Virginia, taking academic work for two years and then graduated from the Law School of that University in 1915. He was admitted to the Maryland Bar in the early part of 1916 and became a member of the firm of Keedy and Lane in Hagerstown, which firm was first organized in 1876.

After he graduated, he was commissioned a Captain in the Maryland National Guard and was appointed Adjutant of the First Maryland Infantry. He went with his regiment to Eagle Pass, Texas, and served in the Mexican Border Service during the latter part of 1916, after which he returned to Hagerstown to resume the practice of law.

On July 25th, 1917, he was called out as a member of the Maryland National Guard for service in the World War and went to Camp McCellan, Anniston, Alabama, where he was made the Adjutant of the 115th Infantry, which was part of the 29th Division. He served over-seas from June, 1918, until the latter part of May, 1919, with the 115th Infantry. After the Armistice he was promoted to the rank of Major and was assigned to duty as the Assistant Adjutant of the 29th Division.

At the close of the World War, he resumed the practice of law in Hagerstown. He has taken an active interest in the banking business and the publication of Hagerstown's newspapers.

Major Lane married January 17, 1922, Dorothy Byron, also of Hagerstown. They have two children.

Mr. Lane was a Delegate to the Democratic National Conventions in 1928 and 1932.

The Adjutant General: MILTON A. RECKORD (Democrat),
Harford County.

Milton A. Reckord, the twenty-second Adjutant General of Maryland, was born in Harford County December 28th, 1879. He is the son of the late John H. and Lydia A. Reckord.

General Reckord's connection with the Maryland National Guard dates from February 15th, 1901, when he enlisted as

a private in Company D, 1st Infantry. He served as an enlisted man until December 28th, 1904, when he was commissioned Captain of that company.

On September 27th, 1906, he was commissioned a Major of Infantry and assigned to command a battalion of the First Infantry.

He served on the Mexican Border and commanded the Second Battalion of the First Infantry throughout this tour of duty.

Upon the declaration of war with Germany and Austria, General Reckord, then a Major, was ordered with his battalion, to Havre de Grace for the protection of the railroad bridges crossing the Susquehanna River, remaining upon this duty for several weeks.

On August 4th, 1917, he was commissioned a Lieutenant Colonel of Infantry and assigned to the Fifth Infantry, and in this capacity entered the United States Army with the troops from Maryland and proceeded to concentration camp at Anniston, Alabama. Here the Maryland regiments were consolidated and the 115th Infantry formed to which organization he went as Lieutenant Colonel.

Upon the retirement of Colonel Charles A. Little, General Reckord succeeded to command of the 115th Infantry. In the capacity of Colonel of this regiment he commanded it throughout its training and during its overseas service and upon return of the regiment from service in France was mustered out with it at Camp Meade, Maryland.

General Reckord has always taken a keen interest in all military matters. In addition to being The Adjutant General of the State he is also the Ranking Line Officer of the Maryland National Guard; was the President of the National Guard Association of the United States, serving two years as such, and at present is the Executive of the National Rifle Association of America.

He is in business at Belair, where his home is located, and is a member of the Baltimore Association of Commerce, the Baltimore Chamber of Commerce, the Baltimore Club, and the Baltimore Athletic Club.

General Reckord was a Delegate to the Democratic National Convention in 1932.

Clerk of the Court of Appeals: JAMES A. YOUNG (Democrat), Cumberland, Maryland.

James A. Young was born at Keyser, West Virginia, May 4, 1879. Two years later his parents moved into Allegany County, where he has since resided. He attended the public

schools in Barton, Moscow Mills and Cumberland. He learned the job printing trade in the plant of the Evening Times in Cumberland, and for a while was foreman, and then engaged in the job printing business in Cumberland.

At the time of the organization of the Maryland Shoe Company (wholesale) in Cumberland, he was made a director and with his father, as president, participated in the management of the sales department. Voluntarily leaving this company, Mr. Young and his father assumed control of the R. D. Johnson Milling Company, which firm he represented as traveling salesman for several years.

On June 26, 1901, Mr. Young married Miss Daisy Wilson White, a native of Cumberland. He is a member of Calvary Methodist Episcopal Church, Annapolis, and is actively identified with several fraternal societies.

Mr. Young comes from a prominent family, his father, John W. Young, having been twice elected Clerk of Court for Allegany County as a Democrat, although the county is strongly Republican. He has held responsible political positions, having been clerk of the Board of Election Supervisors, and in 1921 was elected a Road Director for Allegany County by the largest vote ever given a Democrat for any office in that county.

In the election of 1923, Mr. Young was elected Clerk of the Court of Appeals of Maryland. The majority he received (58,957) was the largest ever given to a candidate for public office in Maryland.

In September, 1926, he was again nominated, and in November, 1926, was re-elected for a term of four years, again receiving the largest majority ever given a candidate for public office in the State.

In September, 1930, Mr. Young was renominated, and in November, 1930, he was re-elected for another term of four years.

State Treasurer: JOHN M. DENNIS (Democrat), Riderwood, Maryland.

John M. Dennis was born February 23, 1866, at Frederick, Maryland. He is the son of the late Colonel George Robertson Dennis and Fanny McPherson Dennis. Colonel George Robertson Dennis was born on a farm named "Essex," in Somerset County, Maryland, March 16, 1831, he being a direct descendant of John Dennis, who sailed from Gravesend, England, July, 1638, at the age of 22 years, in the ship

Merchants' Hope. He settled in Accomac County, Virginia, married and had several children, as appears by his will, on record in the Northampton County Court House. His son, Donnock Dennis, was born in 1645, moved to Somerset County, Maryland, and resided there until 1716, when he died. He married Eliza Lyttleton, daughter of Nathaniel Lyttleton. He was appointed Lord High Sheriff of the county in 1685 by Governor Copley, an office at that time of high rank and dignity, and was a lawyer by profession.

The descendants of Donnock Dennis held high positions in each generation and were recognized as men of learning and ability, holding offices in the courts and councils of the State and of the Nation.

Lyttleton Dennis, fourth in descent from Donnock, married Elizabeth Upshur. He was an able man and an eloquent speaker. For many years he held the office of Judge of the Court of Appeals and was a Whig Presidential elector for five elections—from 1801 to 1829.

His son, Lyttleton Upshur Dennis, married Sarah Waters. He died at his estate in Somerset, known as "Essex," aged 29 years. Two children, George Robertson Dennis and Elizabeth Upshur Dennis, who married Mr. Murray Rush of Philadelphia, survived him.

Colonel George Robertson Dennis married Fanny McPherson of Frederick County. He removed from the Eastern Shore to Frederick County after his marriage, where he engaged in farming, and in later years was elected president of the Central National Bank of Frederick. In protecting the property of the Baltimore and Ohio Railroad during the Civil War he became a warm personal friend of the late John W. Garrett and was a director in the Baltimore and Ohio Railroad Company from 1862 until his death in 1902.

On his mother's side, the ancestors of John McPherson Dennis were equally prominent in the early history of the country. Governor Thomas Johnson, the first Governor of Maryland, 1777-79, was his great-great-grandfather. Colonel Robert McPherson took an active part in establishing the independence of the Colonies and in the Revolution.

From the above record it is not difficult to see from whence John M. Dennis derived his love of statesmanship and interest in public affairs.

John M. Dennis was educated in the public schools of Frederick County and for two years attended Milton Academy at Philopolis, Baltimore County, Maryland. At sixteen years of age he left Maryland and was employed by the C.

W. & B. Railroad Co. in Cincinnati, Ohio and remained West in different railroad positions until June, 1890, when he returned to Baltimore and formed a connection with the firm of Tate, Muller & Company, grain merchants, which was succeeded by the firm of Louis Muller & Company, of which Mr. Dennis became president and remained president until December 1, 1914, when he was elected president of the Union Trust Company of Maryland, Baltimore, occupying this position until he resigned on May 9, 1933. Mr. Dennis served as director of the Maryland National Bank, of Baltimore, from October 2, 1905, until its merger with the National Bank of Commerce of Baltimore on May 29, 1914. After the merger he served as a director of the National Bank of Commerce until February 17, 1916, when he resigned. He also served as a director of the Continental Trust Company from January 5, 1909, and a member of the Executive Committee from January 4, 1910, until he resigned November 30, 1914, to accept the presidency of the Union Trust Company of Maryland.

In 1899 Mr. Dennis married Mary Chiles of Independence, Jackson County, Missouri. He has two children, John McPherson Dennis, Jr., and Mrs. Theodore Gould.

Mr. Dennis is a large land owner in Frederick County and also in Baltimore County, where he resides on his farm near Riderwood. He was elected president of the Maryland State Dairymen's Association in November, 1915, and is an extensive breeder of Holstein-Friesian cattle. He is also president of the Maryland State Fair and Agricultural Society.

Mr. Dennis is Treasurer and member of the Board of Regents of the University of Maryland, Treasurer and Chairman of the Board of Trustees of the Teachers' Retirement System of the State of Maryland, and an officer and director in a number of financial and other corporations among which are the following: Baltimore Tube Company, Director; Belvedere Hotel Company, Baltimore, Vice-President and Director; Claiborne-Annapolis Ferry Company, Vice-President and Director; Davis Coal and Coke Company, Director; Delaware Railroad Company, Director; Eastern Rolling Mill Company, Director; Fidelity and Guaranty Fire Corporation, Director; Metropolitan Savings Bank, Baltimore, Director; Philadelphia, Baltimore and Washington Division of the Pennsylvania Railroad Company, Director; Porcelain Enamel and Manufacturing Company, Director; United States Fidelity and Guaranty Company, Director; Western Maryland Railway Company, Director.

At the 1916 session of the General Assembly of Maryland Mr. Dennis was elected Treasurer of the State of Maryland, serving for two years. He was elected for the second time in 1920, succeeding Hon. William Purnell Jackson; was re-elected in 1922, and again in 1924 by the unanimous vote of the General Assembly. The 1927 session of the General Assembly again elected Mr. Dennis to this office for a term of four years on January 27, 1927, and he was re-elected by the 1931 session on January 13, 1931, for another term of four years.

Mr. Dennis was a Delegate to the Democratic National Convention in 1932.

Comptroller of the Treasury: WM. S. GORDY, JR. (Democrat), Salisbury, Maryland.

William Sidney Gordy, Jr., was born December 21st, 1873, at Salisbury, Maryland. His father was the late William Sidney Gordy, who for many years was connected with the business interests of Salisbury, and was a son of Samuel Gordy, one of the early settlers and merchants of this city. His mother, who is also deceased, was before her marriage, Virginia Dashiell Brewington, daughter of Mr. and Mrs. Henry J. Brewington. In November, 1901, Mr. Gordy married Miss M. Clara White, daughter of Mr. and Mrs. John Henry White of Salisbury, Maryland.

Mr. Gordy received his education in the public schools of Wicomico County. His first employment was as clerk in the local freight office of the New York, Philadelphia & Norfolk Railroad Company, later being passenger and freight agent for the Baltimore, Chesapeake & Atlantic Railway Company at Salisbury, Maryland, until he was transferred to the General Freight and Passenger office in Baltimore; after which he returned to Salisbury as Chief Clerk in the Division Passenger and Freight Office of that road. He resigned his railroad position in June, 1897, to accept a position with the Salisbury National Bank, and has filled every position in that institution, having been elected Cashier in 1912. In 1932 he was elected President, which office he still holds. In 1914 he succeeded his father in an insurance brokerage business, which he is still conducting.

In 1916 Mr. Gordy was elected president of the Associated Banks of Somerset, Worcester and Wicomico Counties, a local Banking Association of the Eastern Shore. In 1918 he was honored by being elected president of the Maryland Bankers' Association, in session at Atlantic City. For many years he has served as Treasurer, is now Vice-Presi-

dent and also a director of the Peninsula General Hospital at Salisbury, and is now President and a Director of the John B. Parsons Salisbury Home for the Aged.

During the World War Mr. Gordy took an active part in his local community in all movements—Liberty Loan drives, Red Cross work and other organized war activities.

In September, 1921, he was nominated by the Democratic State Convention for Comptroller of the Treasury, and was elected in November of that year. He was renominated in September, 1923, and re-elected in November for a term of three years.

In September, 1926, he was again nominated, and re-elected in November, 1926, for a term of four years.

In September, 1930, Mr. Gordy was renominated, and in November, 1930, he was re-elected for another term of four years.

Mr. Gordy was a Delegate to the Democratic National Convention in 1932.

IV. Also WE DO GRANT, and likewise CONFORM unto the said Baron of BALTIMORE, his Heirs, and Assigns, all Islands and Islets within the Limits aforesaid, all and singular the Islands, and Islets, from the Eastern Shore of the aforesaid Region, toward the East, which have been, or shall be formed in the Sea, situate within ten marine Leagues from the said Shore; with all and singular the Ports, Harbors, Bays, Rivers, and Straits belonging to the Region, or Islands aforesaid, and all the Soil, Plains, Woods, Mountains, Marshes, Lakes, Rivers Bays and Straits, situate, or being within the Metes, Bounds, and Limits aforesaid, with the Fishings of every kind of Fish, as well as of Whales, Sturgeons, and other royal Fish, as of other Fish, in the Sea, Bays, Straits, or Rivers, within the Premises, and the Fish there taken, And moreover all Veins, Mines and Quarries, as well opened as hidden, already found, or that shall be found within the Region, Islands, or Limits aforesaid, of Gold, Silver, Gems, and precious Stones and any other whatsoever, whether they be of Stones or Metals, or of any other Thing, or Matter whatsoever; And furthermore the PATRONAGES and ADVOWSONS of all churches, which, (with the increasing Worship and Religion of CHRIST,) within the said Region, Islands, Islets, and Limits aforesaid, hereafter shall happen to be built; together with License and Faculty of erecting and founding Churches, Chapels and Places of Worship, in convenient and suitable Places, within the Premises and causing the same to be dedicated and consecrated according to the Ecclesiastical Laws of our Kingdom of *England*, with all and singular, such, and as ample Rights, Jurisdictions, Privileges, Prerogatives, Royalties, Liberties, Immunities, and royal Rights and temporal Franchises whatsoever, as well by Sea as by Land, within

the Region, Islands, Islets, and Limits aforesaid, to be had, exercised, used and enjoyed, as any Bishop of *Durham*, within the Bishoprick or County Palatine of *Durham*, in our Kingdom of *England*, ever heretofore hath had, held, used, or enjoyed, or of Right, could, or ought to have hold. use or enjoy.

V. And WE do by these Presents, for US, our Heirs and Successors, MAKE, CREATE and CONSTITUTE HIM, the now Baron of BALTIMORE, and his Heirs, the TRUE and ABSOLUTE LORDS and PROPRIETARIES of the Region aforesaid, and of all other the Premises (except the before excepted) saving always the Faith and Allegiance and Sovereign Dominion due to US, our Heirs and Successors, to HAVE, HOLD, POSSESS and ENJOY the aforesaid Region, Islands, Islets and other the Premises unto the aforesaid now Baron of BALTIMORE, and to his Heirs and Assigns, to the sole and proper Bchoof and Use of him, the now Baron of BALTIMORE, his Heirs and Assigns forever. To HOLD of US our Heirs and Successors, Kings of *England*, as of our Castle of *Windsor*, in our County of *Berks*, in free and common SOCCAGE, by Fealty only for all Services, and not *in Capite*, nor by Knight's Service, YIELDING therefore unto US, our Heirs and Successors, two INDIAN ARROWS of those Parts, to be delivered at the said Castle of *Windsor*, every Year, on Tuesday in Easter-week; and also the fifth Part of all Gold and Silver Ore, which shall happen from Time to Time, to be found within the aforesaid Limits.

VI. Now, That the aforesaid Region, thus by us granted and described, may be eminently distinguished above all other Regions, of that Territory, and decorated with more ample Titles, KNOW YE, that WE, of our most especial Grace certain Knowledge, and mere Motion, have thought fit that the said Region and Islands be erected into a PROVINCE, as out of the Plentitude of our royal Power and Prerogative, WE do, for US, our Heirs and Successors, ERECT and INCORPORATE the same into a PROVINCE, and nominate the same MARYLAND, by which name WE will that it shall from henceforth be called.

VII. And forasmuch as WE have above made and ordained the aforesaid now Baron of BALTIMORE, the true LORD and PROPRIETARY of the whole PROVINCE aforesaid, KNOW YE therefore further, that WE, for US, our Heirs, and Successors do grant unto the said now Baron, (in whose Fidelity, Prudence, Justice, and provident Circumspection of Mind, WE repose the greatest Confidence) and to his Heirs, for the good and happy Government of the said PROVINCE, free, full and absolute Power, by the Tenor of

these Presents, to Ordain, Make and Enact LAWS, of what kind soever, according to their sound Discretion, whether relating to the Public State of the said PROVINCE, or the private Utility of Individuals, of and with the Advice, Assent, and Approbation of the Free-Men of the same PROVINCE, or of the great Part of them, or of their Delegates or Deputies, whom WE will shall be called together for the framing of LAWS, when, and as often as Need shall require by the aforesaid now Baron of BALTIMORE, and his Heirs, and in the Form which shall seem best to him or them, and the same to publish under the Seal of the aforesaid now Baron of BALTIMORE, and his Heirs and duly to execute the same upon all Persons, for the Time being, with the aforesaid PROVINCE and the Limits thereof, or under his or their Government and Power, in Sailing toward MARYLAND, or thence Returning, Outwardbound, either to *England* or elsewhere, whether to any other Part or of any foreign Domiuions, wheresoever established, by the Imposition of Fines, Imprisonment, and other Punishment, whatsoever; even if it be necessary, and the Quality of the Offence require it, by Privation of Member, or Life, by him the aforesaid now Baron of BALTIMORE, and his Heirs, or by his or their Deputy, Lieutenant, Judges, Justices, Magistrates, Officers, and Ministers, to be constituted and appointed according to the Tenor and true Intent of these Presents and to constitute and ordain Judges, Justices, Magistrates and Officers, of what Kind, for what Cause, and with what Power soever, within that Land, and the Sea of those Parts, and in such Form as to the said now Baron of BALTIMORE or his Heirs, shall seem most fitting; And also to Remit, Release, Pardon, and Abolish, all Crimes and Offences whatsoever against such Laws, whether before, or after Judgment passed; and to do all and singular other Things belonging to the Completion of Justice, and to Courts, Prætorian Judicatories, and Tribunals, judieial Forms and Modes of Proceeeding, although express Mention thereof in these Presents be not made; and, by Judges by them delegated, to award Proecess, hold Pleas, and determine in those Courts, Prætarian Judicatories, and Tribunals, in all Aetions, Suits, Causes and Matters whatsoever, as well Criminal as Personal, Real and Mixed, and Prætarian: Which said Laws, so to be published as above said, WE will, enjoin, echarge and command, to be most absolute and firm in Law, and to be kept in those Parts by all the Subjects and Liege-Men of US, our Heirs and Successors, so far as they concern them, and to be inviolably observed under the Penalties therein expressed, or to be expressed.

So NEVERTHELESS, that the Laws aforesaid be Consonant to Reason, and be no repugnant or contrary, but (so far as conveniently may be) agreeable to the Laws, Statutes, Customs and Rights of this Our Kingdom of *England*.

VIII. AND FORASMUCH as, in the Government of so great a PROVINCE, sudden Accidents may frequently happen to which it will be necessary to apply a Remedy before the Freeholders of the said PROVINCE, their Delegates or Deputies, can be called together for the framing of Laws; neither will it be fit that so great a number of People should immediately on such emergent Occasion, be called together, WE THEREFORE, for the better Government of so great a PROVINCE, do Will and Ordain and by these Presents, for US, our Heirs and Successors do grant unto the said now Baron of BALTIMORE, and to his Heirs that the aforesaid now Baron of BALTIMORE, and his Heirs, by themselves, or by their Magistrates and Officers, thereunto duly to be constituted as aforesaid, may, and can make and constitute fit and wholesome Ordinances from Time to Time, to be kept and observed within the PROVINCE aforesaid, as well for the Conservation of the Peace, as for the Better Government of the People inhabiting therein, and publicly to notify the same to all Persons whom the same in any wise do or may affect. Which Ordinances, WE will to be inviolably observed within the said PROVINCE, under the Pains to be expressed in the same. So that the said Ordinances be Consonant to Reason, and be not repugnant nor contrary, but (so far as conveniently may be done) agreeable to the Laws, Statutes, or Right of our Kingdom of *England*; and so that the same Ordinances do not, in any Sort, extend to oblige, bind, charge, or take away the Right or Interest of any Person or Persons, of, or in Member, Life Freehold Goods or Chattels.

IX. FURTHERMORE that the new Colony may more happily increase by a Multitude of People resorting thither, and at the same Time may be more firmly secured from the Incursions of Savages, or of other Enemies, Pirates, and Ravagers WE, therefore, for US, our Heirs and Successors, do by these Presents give and grant Power, License and Liberty, to all the Liege-Men and Subjects, present and future, of US, our Heirs and Successors, except such to whom it shall be expressly forbidden, to transport themselves and their Families to the said PROVINCE, with fitting Vessels, and suitable provisions, and therein to settle, dwell, and inhabit; and to build and fortify Castles, Forts, and other Places of Strength at the Appointment of the aforesaid, now Baron of BALTIMORE, and his Heirs, for the

Public and their own Defense; the Statute of Fugitives, or any other whatsoever to the contrary of the Premises in any wise notwithstanding.

X. WE will also, out of our more abundant Grace, for US, our Heirs and Successors, do firmly charge, constitute, ordain and command that the said PROVINCE be of our Allegiance; and that all and singular the Subjects and Liege-Men of US, our Heirs and Successors, transplanted, or hereafter to be transplanted into the PROVINCE aforesaid, and the children of them, and of others their Descendants, whether already born there, or hereafter to be born, be and shall be natives and Liege-Men of US, our Heirs and Successors, of our Kingdom of *England and Ireland*; and in all Things shall be held, treated, reputed, and esteemed as the faithful Liege-Men of US, and our Heirs and Successors, born within our Kingdom of *England*; also Lands, Tenements, Revenues, Services, and other Hereditaments whatsoever within our Kingdom of *England*, and other our Dominions, to inherit or otherwise purchase, receive, take, have, hold, buy, and possess, and the same to use and enjoy, and the same to give, sell, alien, and bequeath; and likewise all Privileges, Franchises and Liberties of this our Kingdom of *England*, freely, quietly and peaceably to have and possess, and the same may use and enjoy in the same Manner as our Liege-Men born, or to be born within our same Kingdom of *England*, without Impediment, Molestation, Vexation, Impeachment, or Grievance of US, or any of our Heirs or Successors; any Statute, Act, Ordinance or Provisions to the contrary thereof, notwithstanding.

XI. FURTHERMORE, That our Subjects may be incited to undertake this Expedition with a ready and cheerful Mind, KNOW YE, that WE of our especial Grace, certain Knowledge, and mere Motion, do, by the aforesaid Baron of BALTIMORE and to his Heirs, as to all other Persons who shall from Time to Time repair to the said Province, either for the sake of Inhabiting, or of Trading with the Inhabitants of the Province aforesaid, full License to Ship and Lade in any the Ports of US, our Heirs and Successors, all and singular their Goods, as well moveable as immovable, Wares and Merchandise, likewise Grain of what Sort soever, and other Things whatsoever necessary for Food and Clothing, by the Laws and Statutes of our Kingdoms and Dominions, not prohibited to be transported out of the said Kingdoms; and the same to transport, by themselves, or their Servants or Assigns, into the said PROVINCE without the Impediment or Molestation of US, our Heirs or

Successors, of any officers of US, our Heirs or Successors (Saving unto Us, our Heirs and Successors, the Impositions, Subsidies, Customs, and other Dues payable for the same Goods and Merchandizes), any Statute, Act, Ordinance or other Thing whatsoever to the contrary notwithstanding.

XII. BUT BECAUSE, that in so remote a Region, placed among so many barbarous Nations, the Incursions, as well of the Barbarians themselves, as of other Enemies, Pirates and Ravagers, probably will be feared, THEREFORE WE have Given, and for US, our Heirs and Successors, do Give by these Presents, as full and unrestrained Power as any Captain-General of an Army ever hath had, unto the aforesaid now Baron of BALTIMORE, and to his Heirs and Assigns, by themselves or by their Captains or other Officers, to summon to their Standards, or to array all Men, of whatsoever Condition, or wheresoever born for the Time being, in the said Province of MARYLAND, to wage War, and to pursue, even beyond the Limits of their Province, the Enemies and Ravagers aforesaid, infesting those Parts by Land and by Sea, and (if GOD shall grant it) to vanquish and captivate them, and the Captives to put to Death, or, according to their Discretion, to save, and to do all other and singular the Things which appertain, or have been accustomed to appertain unto the Authority and Office of a Captain-General of an Army.

XIII. We also WILL, and by this our CHARTER, do Give unto the aforesaid now baron of BALTIMORE, and to his Heirs and Assigns, Power, Liberty and Authority, that, in Case of Rebellion, sudden Tumult or Sedition, if any (which GOD forbid) should happen to arise, whether upon Land within the PROVINCE aforesaid, or upon the High Sea in making a Voyage to the said PROVINCE of MARYLAND, or in returning thence, they may, by themselves, or by their Captains, or other Officers, thereunto deputed under their Seals (to whom WE, for US, our Heirs and Successors, by these Presents, do Give and Grant the fullest Power and Authority) exercise Martial Law as freely, and in as ample Manner and Form, as any Captain-General of any Army, by virtue of his Office may, or hath accustomed to use the same, against the seditious Authors of Innovations in those Parts, withdrawing themselves from the Government of him or them, refusing to serve in War, flying over to the Enemy, exceeding their Leave of Absence, Deserters, or otherwise howsoever offending against the Rule, Law, or Discipline of War.

XIV. MOREOVER, lest in so remote and far distant a Region, every Access to Honours and Dignities may seem to be precluded, and utterly barred to Men well born, who are preparing to engage in the present Expedition, and desirous of deserving well, both in Peace and War, of US, and our Kingdoms; for this Cause, We, for US, our Heirs and Successors, do give free and plenary Power to the aforesaid now Baron of BALTIMORE, and to his Heirs and Assigns, to confer Favours, Rewards, Honours, upon such Subjects, inhabiting within the PROVINCE aforesaid, as shall be well deserving, and to adorn them with whatsoever Titles and Dignities they shall appoint; (so that they be not such as are now used in *England*) also to erect and incorporate Towns into Burroughs, and Burroughs into CITIES, with suitable Privileges and Immunities, according to the Merits of the Inhabitants, and Convenience of the places; and to do all and singular other Things in the Premises, which to him or them shall seem fitting and convenient; even although they shall be such as in their own Nature, require a more special Commandment and War-rant than in these Presents may be expressed.

XV. WE WILL also, and by these Presents do, for US, our Heirs and Successors, give and grant License by this our CHARTER, unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, and to all Persons whatsoever, who are, or shall be, Residents and Inhabitants of the PROVINCE aforesaid, freely to import and unlade, by themselves, their Servants, Factors or Assigns, all Wares and Merchandizes whatsoever, which shall be collected out of the Fruits and Commodities of the said PROVINCE, whether the Product of the Land or the Sea, into any of the Ports whatsoever of US, our Heirs and Successors, of *England* or *Ireland*, or otherwise to dispose of the same there; and, if Need be, within One Year, to be computed immediately from the Time of unlading thereof, to lade the same Merchandizes again in the same or other Ships, and to export the same to any other Countries they shall think proper, whether belonging to US, or any foreign Power, which shall be in Amity with US, our Heirs or Successors; Provided always, that they be bound to pay for the same to US, our Heirs and Successors, such Customs and Impositions, Subsidies and Taxes, as our other Subjects of the Kingdom of *England*, for the Time being shall be bound to pay, beyond which WE WILL that the Inhabitants of the aforesaid PROVINCE of the said Land, called MARYLAND, shall not be burdened.

XVI. AND FURTHERMORE, of our more ample special

Grace, and of our certain Knowledge, and mere Motion, WE do for US, our Heirs and Successors, grant unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, full and absolute Power and Authority to make, erect and constitute, within the PROVINCE of MARYLAND, and the Islands and Islets aforesaid, such, and so many Sea-Ports, Harbours, Creeks, and other Places of Unlading and Discharge of Goods and Merchandize out of Ships, Boats and other Vessels, and of Lading in the same, and in so many, and such places, and with such rights, Jurisdictions, liberties and privileges, unto such Ports respecting, as to him or them shall seem most expedient: And, that all and every the Ships, Boats and other Vessels whatsoever, coming to, or going from the PROVINCE aforesaid, for the Sake of Merchandizing, shall be laden and unladen at such Ports only as shall be so erected and constituted by the said now Baron of BALTIMORE, his Heirs and Assigns, and Usage, Custom, or any other Thing whatsoever to the contrary notwithstanding, SAVING always to US, our Heirs and Successors, and to all the Subjects of our Kingdoms of *England and Ireland*, of US, our Heirs and Successors, the Liberty of Fishing for Sea-Fish as well in the Sea, Bays, Straits and navigable Rivers, as in the Harbours, Bays, and Creeks of the PROVINCE aforesaid; and the Privilege of Salting and Drying Fish on the Shores of the same PROVINCE, and for that Cause, to cut down and take Hedging-Wood and Twigs there growing, and to build Huts and Cabbins, necessary in this Behalf in the same Manner as heretofore they reasonably might, or have used to do. Which Liberties and Privileges, the said Subject of US, our Heirs and Successors shall enjoy without notable Damage or Injury in any wise to be done to the aforesaid now Baron of BALTIMORE, his Heirs or Assigns, or to the Residents and Inhabitants of the same PROVINCE in the Ports, Creeks and Shores aforesaid, and especially in the Woods and Trees there growing. And if any Person shall do damage or Injury of this kind he shall incur the Peril and Pain of the heavy Displeasure of US, our Heirs and Successors, and of the due Chastisement of the Laws, besides making Satisfaction.

XVII. MOREOVER, WE will, appoint, and ordain and by these Presents, or US, our Heirs and Successors, do grant unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, that the same Baron of BALTIMORE, his Heirs and Assigns, from Time to Time, for ever, shall have, and enjoy the Taxes and Subsidies payable, or arising within the Ports, Harbours and other Creeks and Places

aforesaid, within the PROVINCE aforesaid, for Wares bought and sold, and Things there to be laden and unladen, to be reasonably assessed by them, and the People there as aforesaid, on emergent Occasion; to whom WE grant Power and by these Presents, for US, our Heirs and Successors to assess and impose the said Taxes and Subsidies there, upon just Cause, and in due Proportion.

XVIII. AND FURTHERMORE, of our special Grace and certain Knowledge, and mere Motion, WE have given, granted and confirmed, and by these Presents, for US, our Heirs and Successors, do give, grant, and confirm, unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, full and absolute License, Power and Authority that he, the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, from Time to Time, hereafter, for ever, may and can, at his or their Will and Pleasure, assign, alien, grant, demise, or enfeoff so many, such and proportionate Parts and Parcels of the Premises, to any Person or Persons, willing to purchase the same, as they shall think convenient, to have and to hold to the same Person or Persons willing to take or purchase the same, and his and their Heirs and Assigns, in Fee-Simple, of Fee-tail, or for Term of Life, Lives or Years; to hold of the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, by so many, such and so great Services, Customs and Rents OF THIS KIND, as to the same now Baron of BALTIMORE, his Heirs and Assigns, shall seem fit and agreeable, and not immediately of US, our Heirs or Successors. And WE do give, and by these Presents, for US, our Heirs or Successors, do grant to the same Person and Persons, and to each and every of them, License, Authority and Power, that such Person or Persons, may take the premises, or any Parcel thereof, of the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, and hold the same to them and their Assigns, or their Heirs of the aforesaid Baron of BALTIMORE, his Heirs and Assigns of what Estate of Inheritance soever, in Fee-Simple or Fee-tail, or otherwise, as to them and the now Baron of BALTIMORE, his Heirs and Assigns, shall seem expedient; the Statute made in the Parliament of Lord EDWARD, son of King HENRY, the late King of *England*, our Progenitor, commonly called the "STATUTE QUIA EMPTORES TERRARUM," heretofore published in our Kingdom of *England*, or any other Statute, Act, Ordinance, Usage, Law, or Custom, or any other Things, Cause, or Matter, to the contrary thereof, heretofore had, done, published, ordained or provided to the contrary thereof notwithstanding.

XIX. WE, also, by these Presents, do give and grant License to the same Baron of BALTIMORE, and to his Heirs, to erect any Parcels of Land within the PROVINCE aforesaid, into Manors, and in every of those Manors, to have and to hold a Court-Baron, and all Things which to a Court-Baron do belong: and to have and to keep View of Frank-Pledge, for the Conservation of the Peace and Better Government of those Parts, by themselves and their Stewards, or by the Lords, for the Time being to be deputed, of other of those Manors, when they shall be constituted, and in the same to exercise all Things to the View of Frank-Pledge belonging.

XX. AND FURTHER, WE will, and do, by these Presents, for US, our Heirs and Successors, covenant and grant to, and with the aforesaid now Baron of BALTIMORE, his Heirs and Assigns, that We, our Heirs and Successors, at no Time hereafter will impose, or make or cause to be imposed, any Impositions, Customs, or other Taxations, Quotas or Contributions whatsoever, in or upon the Residents or Inhabitants of the PROVINCE aforesaid, for their Goods, Lands, or Tenements within the same PROVINCE, or upon any tenements, lands, goods or chattels within the PROVINCE, aforesaid, or in or upon any Goods or Merchandizes within the PROVINCE aforesaid, or within the Ports or Harbours of the said PROVINCE, to be laden or unladen: And WE Will and do, for US, our Heirs and Successors, enjoin and command that this our Declaration shall from Time to Time, be received and allowed in all our Courts and Prætorian Judicatories, and before all the Judges whatsoever of US, our Heirs and Successors, for a sufficient and lawful Discharge, Payment and Acquittance thereof, charging all and singular the Officers and Ministers of US, our Heirs and Successors, and enjoining them, under our heavy Displeasure, that they do not at any Time presume to attempt any Thing to the contrary of the Premises, or that may in any wise contravene the same, but that they, at all Times as is fitting, do aid and assist the aforesaid now Baron of BALTIMORE, and his Heirs, and the aforesaid Inhabitants and Merchants of the PROVINCE of MARYLAND aforesaid, and their Servants and Ministers, Factors and Assigns, in the fullest Use and Enjoyment of this our CHARTER.

XXI. AND FURTHERMORE WE WILL, and by these Presents, for US, our Heirs and Successors, do grant unto the aforesaid now Baron of BALTIMORE, his Heirs and Assigns and to the Freeholders and Inhabitants of the said PROVINCE, both present and to come, and to every of them,

that the said PROVINCE and the Freeholders or Inhabitants of the said Colony or Country, shall not henceforth be held or reputed a member or Part of the Land of *Virginia* or of any other Colouy already transported, or heerafter to be transported, or to be dependent on the same, or subordinate in any kind of Government, from which WE do separate both the said PROVINCE, and Inhabitants thereof, and by these presents do WILL to be distinct, and that they may be immediately subject to our Crown of *England*, and dependent on the same for ever.

XXII. AND if, peradventure, hereafter it may happen that any Doubts or Questions should arise concerning the true Sense and Meaning of any Word, Clause or Sentence, contained in this our present CHARTER, WE will, charge and command, THAT Interpretation to be applied, always, and in all Things, and in all our Courts and Judicatories whatsoever, to obtain which shall be judged to be the more beneficial, profitable, and favourable to the aforesaid now Baron of BALTIMORE, his Heirs and Assigns: PROVIDED always that no Interpretation thereof be made, whereby GOD'S holy and true Christian Religion, or the Allegiance due to US, our Heirs and Successors, may in any wise suffer by Change, Prejudice, or Diminution; although express Mention be not made in these Presents of the true yearly Value or Certainty of the Premises, or any Part thereof, or of other Gifts and Grants made by US, our Heirs and Predecessors, unto the said now Lord BALTIMORE, or any Statute, Act, Ordinance, Provision, Proclamation or Restraint heretofore had, made, published, ordained or provided, or any other Thing, Cause or Matter Whatsoever, to the contrary thereof in any wise notwithstanding.

XXIII. IN WITNESS whereof We have caused these our Letters to be made Patent. WITNESS OURSELVES at *Westminster*, the Twentieth Day of *June*, in the Eighth Year of our Reign. (June 20, 1632.)

CONSTITUTION OF MARYLAND

ADOPTED BY THE CONVENTION

WHICH ASSEMBLED AT THE CITY OF ANNAPOLIS ON THE EIGHTH DAY OF MAY, EIGHTEEN HUNDRED AND SIXTY-SEVEN, AND ADJOURNED ON THE SEVENTEENTH DAY OF AUGUST, EIGHTEEN HUNDRED AND SIXTY-SEVEN, AND RATIFIED BY THE PEOPLE ON THE EIGHTEENTH DAY OF SEPTEMBER, EIGHTEEN HUNDRED AND SIXTY-SEVEN, WITH AMENDMENTS TO AND INCLUDING NINETEEN HUNDRED AND THIRTY-ONE.

DECLARATION OF RIGHTS

We, the people of the State of Maryland, grateful to Almighty God for our civil and religious liberty, and taking into our serious consideration the best means of establishing a good Constitution in this State for the sure foundation and more permanent security thereof, declare:

Article 1. That all Government of right originates from the People, is founded in compact only, and instituted solely for the good of the whole; and they have, at all times, the inalienable right to alter, reform or abolish their form of Government in such manner as they may deem expedient.

Art. 2. The Constitution of the United States, and the Laws made or which shall be made in pursuance thereof, and all Treaties made, or which shall be made, under the authority of the United States, are and shall be the Supreme Law of the State; and the Judges of this State, and all the People of this State, are, and shall be bound thereby, anything in the Constitution or Law of this State to the contrary notwithstanding.

Art. 3. The powers not delegated to the United States by the Constitution thereof, nor prohibited by it to the States, are reserved to the States respectively, or to the People thereof.

Art. 4. That the People of this State have the sole and exclusive right of regulating the internal government and police thereof as a free, sovereign and independent State.

Art. 5. That the inhabitants of Maryland are entitled to the Common Law of England, and the trial by Jury, according to the course of that law, and to the benefit of such of the English statutes as existed on the Fourth day

of July, seventeen hundred and seventy-six; and which, by experience, have been found applicable to their local and other circumstances, and have been introduced, used and practiced by the Courts of Law or Equity; and also of all Acts of Assembly in force on the first day of June, eighteen hundred and sixty-seven; except such as may have since expired, or may be inconsistent with the provisions of this Constitution; subject, nevertheless, to the revision of, and amendment or repeal by, the Legislature of this State. And the Inhabitants of Maryland are also entitled to all property derived to them from or under the Charter granted by His Majesty, Charles the First, to Cæcilius Calvert, Baron of Baltimore.

Art. 6. That all persons invested with the Legislative or Executive powers of Government are Trustees of the Public, and as such, accountable for their conduct: Wherefore, whenever the ends of Government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the People may, and of right ought to reform the old, or establish a new Government, the doctrine of nonresistance against arbitrary power and oppression is absurd, slavish and destructive of the good and happiness of mankind.

Art. 7. That the right of the People to participate in the Legislature is the best security of liberty and the foundation of all free Government; for this purpose elections ought to be free and frequent, and every white* male** citizen having the qualifications prescribed by the Constitution, ought to have the right of suffrage.

Art. 8. That the Legislative, Executive and Judicial powers of Government ought to be forever separate and distinct from each other; and no person exercising the functions of one of said Departments shall assume or discharge the duties of any other.

Art. 9. That no power of suspending Laws or the execution of Laws, unless by, or derived from the Legislature, ought to be exercised, or allowed.

Art. 10. That freedom of speech and debate, or proceedings in the Legislature, ought not to be impeached in any Court of Judicature.

Art 11. That Annapolis be the place of meeting of the Legislature; and the Legislature ought not to be convened, or held at any other place but from evident necessity.

* The word "white" omitted under the 15th Amendment to the Constitution of the United States.

** The word "male" became inoperative under the 19th Amendment to the Constitution of the United States.

Art. 12. That for redress of grievances, and for amending, strengthening, and for preserving the laws, the Legislature ought to be frequently convened.

Art. 13. That every man hath a right to petition the Legislature for the redress of grievances in a peaceful and orderly manner.

Art. 14. That no aid, charge, tax, burthen or fees ought to be rated, or levied, under any pretense, without the consent of the Legislature.

*Art. 15. That the levying of taxes by the poll is grievous and oppressive and ought to be prohibited; that paupers ought not to be assessed for the support of the government; that the General Assembly shall, by uniform rules, provide for separate assessment of land and classification and sub-classifications of improvements on land and personal property, as it may deem proper; and all taxes thereafter provided to be levied by the State for the support of the general State Government, and by the counties and by the City of Baltimore for their respective purposes, shall be uniform as to land within the taxing district, and uniform within the class or sub-class of improvements on land and personal property which the respective taxing powers may have directed to be subjected to the tax levy; yet fines, duties or taxes may properly and justly be imposed, or laid with a political view for the good government and benefit of the community.

Art. 16. That sanguinary Laws ought to be avoided as far as it is consistent with the safety of the State; and no Law to inflict cruel and unusual pains and penalties ought to be made in any case, or at any time, hereafter.

Art. 17. That retrospective Laws, punishing acts committed before the existence of such Laws, and by them only declared criminal are oppressive, unjust and incompatible with liberty; wherefore, no *ex post facto* Law ought to be made; nor any retrospective oath or restriction be imposed or required.

Art. 18. That no Law to attain particular persons of treason or felony, ought to be made in any case, or at any time, hereafter.

Art. 19. That every man, for any injury done to him in his person or property ought to have remedy by the course of the Law of the Land, and ought to have justice and right, freely without sale, fully without any denial, and speedily without delay, according to Law of the Land.

* Thus amended by Chapter 390, 1914. Ratified November 2, 1915.

Art. 20. That the trial of facts, where they arise, is one of the greatest securities of the lives, liberties and estate of the People.

Art. 21. That in all criminal prosecutions, every man hath a right to be informed of the accusation against him; to have a copy of the Indictment, or Charge in due time (if required) to prepare for his defence; to be allowed counsel; to be confronted with the witnesses against him; to have process for his witnesses; to examine the witnesses for and against him on oath; and to a speedy trial by an impartial jury, without whose unanimous consent he ought not to be found guilty.

Art. 22. That no man ought to be compelled to give evidence against himself in a criminal case.

Art. 23. That no man ought to be taken or imprisoned or disseized of his freehold, liberties or privileges, or outlawed, or exiled, or in any manner destroyed, or deprived of his life, liberty or property, but by the judgment of his peers, or by the Law of the Land.

Art. 24. That slavery shall not be re-established in this State; but, having been abolished, under the policy and authority of the United States compensation, in consideration thereof, is due from the United States.

Art. 25. That excessive bail ought not to be required, nor excessive fines imposed, nor cruel or unusual punishment inflicted by the Courts of Law.

Art. 26. That all warrants, without oath or affirmation, to search suspected places, or to seize any person or property, are grievous and oppressive; and all general warrants to search suspected places, or to apprehend suspected persons, without naming or describing the place, or the person in special, are illegal, and ought not to be granted.

Art. 27. That no conviction shall work corruption of blood or forfeiture of estate.

Art. 28. That a well regulated Militia is the proper and natural defence of a free government.

Art. 29. That Standing Armies are dangerous to liberty, and ought not to be raised, or kept up, without the consent of the Legislature.

Art. 30. That in all cases, and at all times, the military ought to be under strict subordination to, and control of, the civil power.

Art. 31. That no soldier shall, in time of peace, be quartered in any house, without the consent of the owner, nor in time of war, except in the manner prescribed by Law.

Art. 32. That no person except regular soldiers, marines, and mariners in the service of this State, or militia, when in actual service, ought, in any case, to be subject to, or punishable by Martial Law.

Art. 33. That the independency and uprightness of Judges are essential to the impartial administration of Justice, and a great security to the rights and liberties of the People; wherefore, the Judges shall not be removed, except in the manner, and for the causes, provided in this Constitution. No Judge shall hold any other office, civil military or political trust, or employment of any kind whatsoever, under the Constitution or Laws of this State, or of the United States, or any of them; or receive fees, or perquisites of any kind, for the discharge of his official duties.

Art. 34. That a long continuance in the Executive Departments of power or trust is dangerous to liberty; a rotation, therefore, in those Departments is one of the best securities of permanent freedom.

Art. 35. That no person shall hold, at the same time more than one office of profit, created by the Constitution or Laws of this State; nor shall any person in public trust receive any present from any foreign Prince or States, or from the United States, or any of them, without the approbation of this State.

Art. 36. That as it is the duty of every man to worship God in such manner as he thinks most acceptable to Him, all persons are equally entitled to protection in their religious liberty; wherefore, no person ought, by any law to be molested in his person or estate, on account of his religious persuasion or profession, or for his religious practice, unless, under the color of religion, he shall disturb the good order, peace or safety of the State, or shall infringe the laws of morality, or injure others in their natural, civil or religious rights; nor ought any person to be compelled to maintain any place of worship or any ministry; nor shall any person, otherwise competent, be deemed incompetent as a witness, or juror, on account of his religious belief; provided, he believes in the existence of God, and that under His dispensation such person will be held morally accountable for his acts, and be rewarded or punished therefor in this world or the world to come.

Art. 37. That no religious test ought ever to be required as a qualification for any office of profit or trust in this State, other than a declaration of belief in the existence of God; nor shall the legislature prescribe any other oath of office than the oath prescribed by this Constitution.

Art. 38. That every gift, sale or devise of land to any Minister, Public Teacher or Preacher of the Gospel, as such, or to any Religious Sect, Order or Denomination, or to, or for the support, use or benefit of, or in trust for, any Minister, Public Teacher or Preacher of the Gospel, as such, or any Religious Sect, Order or Denomination; and every gift or sale of goods, chattels, to go in succession, or to take place after the death of the Seller or Donor, to or for such support, use or benefit; and also every devise of goods or chattels to or for the support, use or benefit of any Minister, Public Teacher or Preacher of the Gospel, as such, or any Religious Sect, Order or Denomination, without the prior or subsequent sanction of the Legislature, shall be void; except always, any sale, gift, lease or devise of any quantity of land, not exceeding five acres, for a church, meeting-house, or other house of worship, or parsonage, or for a burying-ground, which shall be improved, enjoyed or used only for such purpose; or such sale, gift, lease or devise shall be void.

Art. 39. That the manner of administering the oath or affirmation to any person ought to be such as those of the religious persuasion, profession, or denomination, of which he is a member, generally esteem the most effectual confirmation by the attestation of the Divine Being.

Art. 40. That the liberty of the press ought to be inviolably preserved; that every citizen of the State ought to be allowed to speak, write and publish his sentiments on all subjects, being responsible for the abuse of that privilege.

Art. 41. That monopolies are odious, contrary to the spirit of a free government and the principles of commerce, and ought not to be suffered.

Art. 42. That no title or hereditary honors ought to be granted in this State.

Art. 43. That the Legislature ought to encourage the diffusion of knowledge and virtue, the extension of a judicious system of general education, the promotion of literature, the arts, sciences, agriculture, commerce and manufactures, and the general amelioration of the condition of the people.

Art. 44. That the provisions of the Constitution of the United States, and of this State, apply as well in time of war as in time of peace; and any departure therefrom, or violation thereof, under the plea of necessity, or any other plea, is subversive of good government and tends to anarchy and despotism.

Art. 45. This enumeration of Rights shall not be construed to impair or deny others retained by the People.

SEC. 3. If any person shall give, or offer to give, directly or indirectly, any bribe, present or reward, or any promise, or any security, for the payment or delivery of money, or any other thing, to induce any voter to refrain from casting his vote, or to prevent him in any way from voting, or to procure a vote for any candidate or person proposed, or voted for as an elector of President and Vice-President of the United States, or Representative in Congress or for any office of profit or trust, created by the Constitution or Laws of this State, or by the Ordinances, or authority of the Mayor and City Council of Baltimore, the person giving, or offering to give and the person receiving the same, and any person who gives or causes to be given, an illegal vote, knowing it to be such, at any election be hereafter held in this State, shall, on conviction in a Court of Law, in addition to the penalties now or hereafter to be imposed by law, be forever disqualified to hold any office of profit or trust, or to vote at any election thereafter.

But the General Assembly may, in its discretion, remove the above penalty and all other penalties upon the vote seller so as to place the penalties for the purchase of votes on the vote buyer alone.*

SEC. 4. It shall be the duty of the General Assembly to pass Laws to punish, with fine and imprisonment, any person who shall remove into any election district or precinct of any ward of the city of Baltimore, not for the purpose of acquiring a *bona fide* residence therein, but for the purpose of voting at an approaching election, or who shall vote in any election district or ward in which he does not reside (except in the case provided for in this Article), or shall, at the same election, vote in more than one election district, or precinct, or shall vote, or offer to vote, in any name not his own, or in place of any other person of the same name, or shall vote in any county in which he does not reside.

SEC. 5. The General Assembly shall provide by law for a uniform Registration of the names of all the voters in this State who possesses the qualifications prescribed in this Article, which Registration shall be conclusive evidence to the Judges of election of the right of every person thus registered to vote at any election thereafter held in this State; but no person shall vote in any election Federal, or State, hereafter to be held in this State, or at any municipal election in the city of Baltimore, unless his name appears in

ARTICLE II.

EXECUTIVE DEPARTMENT.

SECTION 1. The executive power of the State will be vested in a Governor, whose term of office shall commence on the second Wednesday of January next ensuing his elec-

tion, and continue for four years, and until his successor shall have qualified; but the Governor chosen at the first election under this Constitution shall not enter upon the discharge of the duties of the office until the expiration of the term for which the present incumbent was elected; unless the said office shall become vacant by death, resignation, removal from the State, or other disqualification of the said incumbent.

SEC. 2. An election for Governor, under this Constitution, shall be held on the Tuesday next after the first Monday of November, in the year eighteen hundred and sixty-seven, and on the same day and month in every fourth year thereafter, at the places for voting for delegates to the General Assembly;¹ and every person qualified to vote for Delegates shall be qualified and entitled to vote for Governor; the election to be held in the same manner as the election of Delegates, and the returns thereof under seal to be addressed to the Speaker of the House of Delegates, and enclosed and transmitted to the Secretary of State, and delivered to said Speaker, at the commencement of the session of the General Assembly next ensuing said election.

SEC. 3. The Speaker of the House of Delegates shall then open the said returns in the presence of both Houses; and the person having the highest number of votes, and being constitutionally eligible, shall be the Governor, and shall qualify, in the manner herein prescribed, on the second Wednesday of January next ensuing his election, or as soon thereafter as may be practicable.

SEC. 4. If two or more persons shall have the highest and an equal number of votes for Governor, one of them shall be chosen Governor by the Senate and House of Delegates, and all questions in relation to the eligibility of Governor, and to the returns of said election, and to the number and legality of voters therein given, shall be determined by the House of Delegates; and if the person or persons, having the highest number of votes, be ineligible, the Governor shall be chosen by the Senate and House of Delegates. Every election of Governor by the General Assembly shall be determined by a joint majority of the Senate and House of Delegates, and the vote shall be taken, *viva voce*. But if two or more persons shall have the highest and an equal number of votes, then a second vote shall be taken, which shall be confined to the persons having an equal number; and if the vote shall again be equal, then the election of Governor shall be determined by lot between those who shall have the highest and an equal number on the first vote.

¹This section amended by Article XVII, Sections 2 and 3.

SEC. 5. A person to be eligible to the office of Governor must have attained the age of thirty years, and must have been for ten years a citizen of the State of Maryland, and for five years next preceding his election a resident of the State, and, at the time of his election, a qualified voter therein.

SEC. 51. SEC. 52. The General Assembly shall not appropriate any money out of the Treasury except in accordance with the following provisions:

Sub-Section A: Every appropriation bill shall be either a Budget Bill, or a Supplementary Appropriation Bill, as hereinafter mentioned.

General Assembly for the session at which the Budget is to be submitted, the Governor shall submit to the General Assembly two budgets, one for each of the ensuing fiscal years. Each budget shall contain a complete plan of proposed expenditures and estimated revenues for the particular fiscal year to which it relates; and shall show the estimated surplus or deficit of revenues at the end of such year. Accompanying each budget shall be a statement showing: (1) the revenues and expenditures for each of the two fiscal years next preceding; (2) the current assets, liabilities, reserves and surplus or deficit of the State; (3) the debts and funds of the State; (4) an estimate of the State's financial condition as of the beginning and end of each of the fiscal years covered by the two budgets above provided; (5) any explanation the Governor may desire to make as to the important features of any budget and any suggestion as to methods for reduction or increase of the State's revenue.

Second. Each budget shall be divided into two parts, and the first part shall be designated "Governmental Appropriations" and shall embrace an itemized estimate of the appropriations: (1) for the General Assembly as certified to the Governor in the manner hereinafter provided; (2) for the Executive Department; (3) for the Judiciary Department, as provided by law, certified to the Governor by the Comptroller; (4) to pay and discharge the principal and interest of the debt of the State of Maryland in conformity with Section 34 of Article III of the Constitution, and all laws enacted in pursuance thereof; (5) for the salaries payable by the State under the Constitution and laws of the State; (6) for the establishment and maintenance throughout the State of a thorough and efficient system of public schools in conformity with Article VIII of the Constitution and with the laws of the State; (7) for such other purposes as are set forth in the Constitution of the State.

Third. The second part shall be designated "General Appropriations," and shall include all other estimates of appropriations.

The Governor shall deliver to the presiding officer of each House the budgets and a bill for all the proposed appropriations of the budgets clearly itemized and classified; and the presiding officer of each House shall promptly cause said bill to be introduced therein, and such bill shall be known as the "Budget Bill." The Governor may, before final action thereon by the General Assembly, amend or supplement either of said budgets to correct an oversight or in case of an emergency, with the consent of the General Assembly by delivering such an amendment or supplement to the presiding offi-

cers of both Houses; and such amendment or supplement shall thereby become a part of said budget bill as an addition to the items of said bill or as a modification of or a substitute for any item of said bill such amendment or supplement may effect.

The General Assembly shall not amend the budget bill so as to affect either the obligations of the State under Section 34 of Article III of the Constitution, or the provisions made by the laws of the State for the establishment and maintenance of a system of public schools, or the payment of any salaries required to be paid by the State of Maryland by the Constitution thereof; and the General Assembly may amend the bill by increasing or diminishing the items therein relating to the General Assembly, and by increasing the items therein relating to the judiciary, but except as hereinbefore specified, may not alter the said bill except to strike out or reduce items therein, provided, however, that the salary or compensation of any public officer shall not be decreased during his term of office; and such bill when and as passed by both Houses shall be a law immediately without further action by the Governor.

Fourth. The Governor and such representatives of the executive departments, boards, officers and commissions of the State expending or applying for State's money, as have been designated by the Governor for this purpose, shall have the right, and when requested by either House of the Legislature, it shall be their duty to appear and be heard with respect to any budget bill during the consideration thereof, and to answer inquiries relative thereto.

Sub-Section C: Supplementary Appropriation Bills:— Neither House shall consider other appropriations until the Budget Bill has been finally acted upon by both Houses, and no such other appropriation shall be valid except in accordance with the provisions following: (1) Every such appropriation shall be embodied in a separate bill limited to some single work, object or purpose therein stated and called herein a Supplementary Appropriation Bill; (2) Each Supplementary Appropriation Bill shall provide the revenue necessary to pay the appropriation thereby made by a tax, direct or indirect, to be laid and collected as shall be directed in said Bill; (3) No Supplementary Appropriation Bill shall become a law unless it be passed in each House by a vote of a majority of the whole number of the members elected; and the yeas and nays recorded on its final passage; (4) Each Supplementary Appropriation Bill shall be presented to the Governor of the State as provided in Section 17 of Article II

of the Constitution and thereafter all the provisions of said Section shall apply.

Nothing in this amendment shall be construed as preventing the Legislature from passing at any time in accordance with the provisions of Section 28 of Article III of the Constitution and subject to the Governor's power of approval as provided in Section 17 of Article II of the Constitution an appropriation bill to provide for the payment of any obligation of the State of Maryland within the protection of Section 10 of Article 1 of the Constitution of the United States.

Sub-Section D: General Provisions:—First. If the Budget Bill shall not have been finally acted upon by the Legislature three days before the expiration of its regular session, the Governor may, and it shall be his duty to issue a proclamation extending the session for such further period as may, in his judgment, be necessary for the passage of such bill; but no other matter than such bill shall be considered during such extended session except a provision for the cost thereof.

Second. The Governor for the purpose of making up his budgets shall have the power, and it shall be his duty, to require from the proper State officials, including herein all executive departments, all executive and administrative offices, bureaus, boards, commissions and agencies expending or supervising the expenditure of, and all institutions applying for State moneys and appropriations, such itemized estimates and other information, in such form and at such times as he shall direct. The estimates for the Legislative Department, certified by the presiding officer of each House, of the Judiciary, as provided by law, certified by the Comptroller, and for the public schools, as provided by law, shall be transmitted to the Governor, in such form and at such times as he shall direct, and shall be included in the budget without revision.

The Governor may provide for public hearings on all estimates and may require the attendance at such hearings of representatives of all agencies, and of all institutions applying for State moneys. After such public hearings he may, in his discretion, revise all estimates except those for the legislative and judiciary departments, and for the public schools as provided by law.

Third. The Legislature may, from time to time, enact such laws not inconsistent with this Section, as may be necessary and proper to carry out its provisions.

Fourth. In the event of any inconsistency between any of the provisions of this Section and any of the other provisions of the Constitution, the provision of this Section shall pre-

vail. But nothing herein shall in any manner affect the provisions of Section 34 of Article III of the Constitution or of any laws heretofore or hereafter passed in pursuance thereof, or be construed as preventing the Governor from calling extraordinary sessions of the Legislature, as provided by Section 16 of Article II, or as preventing the Legislature at such extraordinary sessions from considering any emergency appropriation or appropriations.

If any item of any appropriation bill passed under the provisions of this Section shall be held invalid upon any ground, such invalidity shall not affect the legality of the bill or of any other item of such bill or bills.*

JUDICIARY DEPARTMENT.

Part I—General Provisions.

SECTION 1. The judicial power of this State shall be vested in a Court of Appeals, Circuit Courts, Orphans' Courts, such Courts for the city of Baltimore as are hereinafter provided for, and Justices of the Peace; all said Courts shall be Courts of Record, and each shall have a seal to be used in the authentication of all process issuing therefrom. The process and official character of Justices of the Peace shall be authenticated as hath heretofore been practiced in this State, or may hereafter be prescribed by law.

SEC. 2. The judges of all of the said courts shall be citizens of the State of Maryland, and qualified voters under this Constitution, and shall have resided therein not less than five years, and not less than six months next preceding their election or appointment in the judicial circuit, as the case may be, for which they may be respectively elected or appointed. They shall be not less than thirty years of age at the time of their election or appointment, and shall be selected from those who have been admitted to practice law in this State, and who are most distinguished for integrity, wisdom and sound legal knowledge.

SEC. 3. The judges of the said several courts shall be elected in the counties by the qualified voters in their respective judicial circuits as hereinafter provided, at the general election to be held on the Tuesday after the first Monday in November next, and in the city of Baltimore, on the fourth Wednesday of October next. Each of the said judges shall hold his office for the term of fifteen years from the time of his election, and until his successor is elected and qualified, or until he shall have attained the age of seventy years, whichever may first happen, and be re-eligible thereto until he shall have attained the age of seventy years, and not after; but in case of any judge who shall attain the age of seventy years whilst in office, such judge may be continued in office by the General Assembly for such further time as they

may think fit, not to exceed the term for which he was elected, by a resolution to be passed at the session next preceding his attaining said age. In case of the inability of any of said judges to discharge his duties with efficiency, by reason of continued sickness, or of physical or mental infirmity, it shall be in the power of the General Assembly, two-thirds of the members of each House concurring, with the approval of the Governor, to retire such judge from office.

SEC. 4. Any judge shall be removed from office by the Governor, on conviction in a court of law of incompetency, of wilful neglect of duty, misbehavior in office or any other crime, or on impeachment, according to this Constitution, or the laws of the State; or on the address of the General Assembly, two-thirds of each House concurring in such address, and the accused having been notified of the charges against him, and having had opportunity of making his defence.

SEC. 5. After the election for judges, as hereinbefore provided, there shall be held in this State, in every fifteenth year thereafter, on the Tuesday after the first Monday in November of such year, an election for judges as herein provided; and in case of death, resignation, removal or disqualification by reason of age or otherwise of any judge, the Governor shall appoint a person duly qualified to fill said office, who shall hold the same until the next general election for members of the General Assembly, when a successor shall be elected, whose term of office shall be the same as hereinbefore provided, and upon the expiration of the term of fifteen years for which any judge may be elected to fill a vacancy, an election for his successor shall take place at the next general election for members of the General Assembly to occur upon or after the expiration of his said term; and the Governor shall appoint a person duly qualified to hold said office from the expiration of such term of fifteen years until the election and qualification of his successor.*

SEC. 6. All judges shall, by virtue of their offices be conservators of the peace throughout the State; and no fees, or prerequisites, commission or reward of any kind, shall be allowed to any judge in this State, besides his annual salary, for the discharge of any judicial duty.

SEC. 7. No judge shall sit in any case wherein he may be interested, or where either of the parties may be connected with him by affinity or consanguinity within such degrees as now are or may hereafter be prescribed by law, or where he shall have been of counsel in the case.

* Thus amended by Act of 1880, Chapter 417, ratified by the people at November election, 1881.

SEC. 8. The parties to any cause may submit the same to the court for determination without the aid of a jury and in all suits or actions at law, issues from the Orphans' Court or from any court sitting in equity, and in all cases of presentments or indictments for offences which are or may be punishable by death pending in any of the courts of law of this State having jurisdiction thereof upon suggestion in writing under oath of either of the parties to said proceedings, that such party can not have a fair and impartial trial in the court in which the same may be pending, the said court shall order and direct the record of proceedings in such suit or action, issue, presentment or indictment, to be transferred to some other court having jurisdiction in such case, for trial; but in all other cases of presentment or indictment pending in any of the courts of law in this State having jurisdiction thereof, in addition to the suggestion in writing of either, of the parties to such presentment or indictment that such party can not have a fair and impartial trial in the court in which the same may be pending, it shall be necessary for the party making such suggestion to make it satisfactorily appear to the court that such suggestion is true, or that there is reasonable ground for the same; and thereupon the said court shall order and direct the record of proceedings in such presentment or indictment to be transmitted to some other court having jurisdiction in such cases for trial; and such right of removal shall exist upon suggestion in cases when all the judges of said court may be disqualified, under the provisions of this Constitution to sit in any case; and said court to which the record of proceedings in such suit or action issue, presentment or indictment may be so transmitted, shall hear and determine the same in like manner as if such suit or action, issue, presentment or indictment had been originally instituted therein; and the General Assembly shall make such modification of existing law as may be necessary to regulate and give force to this provision.*

SEC. 9. The judge or judges of any court may appoint such officers for their respective courts as may be found necessary; and such officers of the Courts in the city of Baltimore shall be appointed by the judges of the Supreme Bench of Baltimore city. It shall be the duty of the General Assembly to prescribe by law a fixed compensation for all such officers, and said judge or judges shall from time to time investigate the expenses, costs and charges of their respective courts, with a view to a change or reduction thereof, and report the result of such investigation to the General Assembly for its action.

* Thus amended by Act of 1874, Chapter 364, ratified by the people at November election, 1875.

SEC. 10. The clerks of the several courts created or continued by this Constitution shall have charge and custody of the records and other papers; shall perform all the duties, and be allowed the fees which appertain to their several offices, as the same now are or may hereafter be regulated by law. And the office and business of said clerks, in all their departments, shall be subject to the visitorial power of the judges of their respective courts, who shall exercise the same, from time to time, so as to insure the faithful performance of the duties of said offices; and it shall be the duty of the judges of said courts, respectively, to make from time to time such rules and regulations as may be necessary and proper for the government of said clerks, and for the performance of the duties of their offices, which shall have the force of law until repealed or modified by the General Assembly.

SEC. 11. The election for judges hereinbefore provided, and all elections for Clerks, Registers of Wills and other officers provided in this Constitution, except State's Attorneys, shall be certified, and the returns made by the Clerks of the Circuit Courts of the counties, and the Clerk of the Superior Court of Baltimore city, respectively, to the Governor, who shall issue commissions to the different persons for the offices to which they shall have been respectively elected; and in all such elections the persons having the greatest number of votes shall be declared elected.

SEC. 12. If in any case of election for Judges, Clerks of the Courts of Law, and Register of Wills, the opposing candidate shall have an equal number of votes, it shall be the duty of the Governor to order a new election; and in case of any contested election, the Governor shall send the returns to the House of Delegates, which shall judge of the election and qualification of the candidates at such election, and if the judgment shall be against the one who has been returned elected, or the one who has been commissioned by the Governor, the House of Delegates shall order a new election within thirty days.

SEC. 13. All public commissions and grants shall run thus: "The State of Maryland," etc., and shall be signed by the Governor, with the Seal of the State annexed; all writs and process shall run in the same style, and be tested, sealed and signed as heretofore, or as may hereafter be provided by law; and all indictments shall conclude, "against the peace, government and dignity of the State."

Part II—Court of Appeals.

SEC. 14. The Court of Appeals shall be composed of the Chief Judges of the first seven of the several judicial circuits of the State and a judge from the city of Baltimore specially elected thereto, one of whom shall be designated by the Governor, by and with the advice and consent of the Senate, as the Chief Judge; and in all cases until action by the Senate can be had, the judge so designated by the Governor shall act as Chief Judge. The Judge of the Court of Appeals from the city of Baltimore shall be elected by the qualified voters of said city at the election of judges to be held therein, as hereinbefore provided; and in addition to his duties as Judge of the Court of Appeals, shall perform such other duties as the General Assembly shall prescribe. The jurisdiction of said Court of Appeals shall be co-extensive with the limits of the State, and such as now is or may hereafter be prescribed by law. It shall hold its sessions in the city of Annapolis, on the first Monday in April, and the first Monday in October; [on the second Monday in January, the first Monday in April and the first Monday in October]* of each and every year, or at such other times as the General Assembly may by law direct. Its sessions shall continue not less than ten months in the year, if the business before it shall so require; and it shall be competent for the judges temporarily to transfer their sittings elsewhere upon sufficient cause.

SEC. 15. Four of said judges shall constitute a quorum; no cause shall be decided without the concurrence of at least three; but the judge who heard the cause below shall not participate in the decision; in every case an opinion, in writing, shall be filed within three months after the argument or submission of the cause; and the judgment of the court shall be final and conclusive; and all cases shall stand for hearing at the first term after the transmission of the record.

SEC. 17. There shall be a Clerk of the Court of Appeals, who shall be elected by the legal and qualified voters of the State, who shall hold his office for six years, and until his successor is duly qualified;¹ he shall be subject to removal by the said court for incompetency, neglect of duty, misdemeanor in office, or such other cause or causes as may be prescribed by law; and in case of a vacancy in the office of said clerk, the Court of Appeals shall appoint a clerk of said

SEC. 18. It shall be the duty of the Judges of the Court of Appeals, as soon after their election under this Constitution as practicable, to make and publish rules and regulations for the prosecution of appeals to said appellate court whereby they shall prescribe the periods within which appeals may be taken, what part or parts of the proceedings in the court below shall constitute the record on appeal and the manner in which such appeals shall be brought to hearing or determination, and shall regulate, generally, the practice of said Court of Appeals so as to prevent delays and promote brevity in all records and proceedings brought into said court, and to abolish and avoid all unnecessary costs and expenses in the prosecution of appeals therein; and the said judge shall make such reduction in the fees and expenses of the said court, as they may deem advisable. It shall also be the duty of said Judges of the Court of Appeals, as soon after their election as practicable, to devise and promulgate by rules or orders, forms and modes of framing and filing bills, answers and other proceedings and pleadings in equity; and also forms and modes of taking and obtaining evidence, to be used in equity cases; and to revise and regulate, generally, the practice in the Courts of Equity of this State, so as to prevent delays, and to promote brevity and conciseness in all pleadings and proceedings therein, and to abolish all unnecessary costs and expenses attending the same. And all rules and regulations hereby directed to be made shall, when made, have the force of law until rescinded, changed or modified by the said judges, or the General Assembly.

Part III—Circuit Courts.

SEC. 19. The State shall be divided into eight judicial circuits, in manner following, viz.: The counties of Worcester, Somerset, Dorchester and Wicomico,* shall constitute the First Circuit; the counties of Caroline, Talbot, Queen Anne's, Kent and Cecil, the Second; the counties of Baltimore and Harford, the Third; the counties of Allegany, Washington and Garrett,† the Fourth; the counties of Carroll, Howard and Anne Arundel, the Fifth; the counties of Montgomery

and Frederick, the Sixth; the counties of Prince George's, Charles, Calvert and St. Mary's, the Seventh, and Batimore city, the Eighth.

SEC. 20. A court shall be held in each county of the State, to be styled the Circuit Court for the county in which it may be held. The said Circuit Courts shall have and exercise, in the respective counties, all the power, authority and jurisdiction, original and appellate, which the present Circuit Courts of this State now have and exercise, or which may hereafter be prescribed by law.

SEC. 21. For each of the said circuits (excepting the eighth and third) there shall be a chief judge and two associate judges, to be styled Judges of the Circuit Court to be elected or appointed as herein provided, and for the third circuit there shall be a Chief Judge and three associate judges to be styled Judges of the Circuit Court to be elected or appointed as herein provided.

And no two of said associate judges for any of the said circuits, except the third circuit shall, at the time of their election or appointment or during the term for which they may have been elected or appointed, reside in the same county. If two or more persons shall be candidates for associate judge in the same county in any of the circuits, except the third circuit, that one only in said county shall be declared elected who has the highest number of votes in the circuit. In case any two candidates for associate judge in any of the circuits, except the third circuit, residing in the same county, shall have an equal number of votes greater than any other candidate for associate judge in the circuit, it shall be the duty of the Governor to order a new election for one associate judge; but the person residing in any other county of the circuit and who has the next highest number of votes shall be declared elected.

The said judges shall hold not less than two terms of the Circuit Court, in each of the counties composing their respective circuits, at such times as are now or may hereafter be prescribed to which jurors shall be summoned; and in those counties where only two such terms are held, two other and intermediate terms, to which jurors shall not be summoned; they may alter or fix the times for holding any or all terms, until otherwise prescribed, and shall adopt rules to the end that all business not requiring the inter-position of the jury shall be, as far as practicable, disposed of at said intermediate terms.

One judge in each of the above circuits, including the third circuit, shall constitute a quorum for the transaction of any

business; and the said judges, or any of them, may hold special terms of their Courts, whenever in their discretion, the business of the several counties renders such terms necessary.

The additional associate judge for the third circuit herein provided for, shall be elected by the qualified voters of Baltimore and Harford counties, at the first election that shall be held in said counties subsequent to the adoption of this amendment, and the judge so elected shall be subject to the same constitutional provisions, hold his office for the same term of years, receive the same compensation and have the same powers as are herein provided for the other associate judges in the third circuit.*

SEC. 22. Where any term is held, or trial conducted by less than the whole number of said Circuit Judges, upon the decision or determination of any point or question by the court, it shall be competent to the party against whom the ruling or decision is made, upon motion, to have the point or question reserved for the consideration of the three judges of the Circuit, who shall constitute a court in *banc* for such purpose; and the motion for such reservation shall be entered of record during the sitting at which such decision may be made; and the several Circuit Courts shall regulate, by rules, the mode and manner of presenting such points or questions to the court in *banc*, and the decision of the said court in *banc* shall be the effective decision in the premises, and conclusive, as against the party at whose motion said points or questions were reserved; but such decision in *banc* shall not preclude the right of appeal or writ of error to the adverse party in those cases, civil or criminal, in which appeal or writ of error to the Court of Appeals may be allowed by law. The right of having questions reserved shall not, however, apply to trials of appeals from judgments of Justices of Peace, nor to criminal cases below the grade of felony, except when the punishment is confinement in the penitentiary; and this section shall be subject to such provisions as may hereafter be made by law.

SEC. 23. The judges of the respective Circuit Courts of this State and of the courts of Baltimore city, shall render their decisions in all cases argued before them, or submitted for their judgment, within two months after the same shall have been so argued or submitted.

SEC. 24. The salary of each Chief Judge and of the Judge of the Court of Appeals from the city of Baltimore shall be three thousand five hundred dollars, and of each Associate

SEC. 26. The said clerks shall appoint, subject to the confirmation of the judges of their respective courts, as many deputies under them as the said judges shall deem necessary to perform, together with themselves, the duties of the said office, who shall be removable by the said judges for incompetency, or neglect of duty, and whose compensation shall be according to existing or future provisions of the General Assembly.

When said book containing the said descriptions of the said Councilmanic Districts of the City of Baltimore so laid out as aforesaid, has been deposited for record in the Clerk's Office of the Superior Court of Baltimore City, then the said Councilmanic Districts as in said book described and laid out shall thereafter be deemed to be the several Councilmanic Districts of Baltimore City.

216. The City Council shall meet annually on the Thursday next after the third Monday in May and may continue in session for one hundred and twenty days and no longer in each year; provided that they may by ordinance or resolution so arrange their sittings that the same may be held continuously or otherwise, and provided further that the Mayor may convene the City Council in extra session as he may now do by the fourth section of the eleventh article of the State Constitution.

tered voters of said city or five registered voters in any such counties. Nominations for members for said charter board may be made not less than forty days prior to said election by the Mayor of Baltimore and City Council of the City of Baltimore or the County Commissioners of such county, or not less than twenty days prior to said election by petition bearing the signatures written in their own handwriting (and not by their mark) of not less than 5 per cent of the registered voters of the said City of Baltimore or said county; provided, that in any case two thousand signatures of registered voters shall be sufficient to complete any such nominating petition, and if not more than eleven registered voters of the City of Baltimore or not more than five registered voters in any such county are so nominated their names shall not be printed on the ballot, but said eleven registered voters in the City of Baltimore or five in such county shall constitute said charter board from and after the date of said election. At said election the ballot shall contain the names of said nominees in alphabetical order without any indication of the source of their nomination, and shall also be so arranged as to permit the voter to vote for or against the creation of said charter board, but the vote cast against said creation shall not be held to bar the voter from expressing his choice among the nominees for said board, and if the majority of the votes cast for and against the creation of said charter board shall be against said creation the election of the members of said charter board shall be void; but if such majority shall be in favor of the creation of said charter board, then and in that event the eleven nominees of the City of Baltimore or five members in the county receiving the largest number of votes shall constitute the charter board, and said charter board, or a majority thereof, shall prepare within six months from the date of said election a charter or form of government for said city or such county and present the same to the Mayor of Baltimore or President of the Board of County Commissioners of such county, who shall publish the same in at least two newspapers of general circulation published in said the City of Baltimore or county within thirty days after it shall be reported to him. Such charter shall be submitted to the voters of said city or county at the next general or Congressional election after the report of said charter to said Mayor of Baltimore or President of the Board of County Commissioners; and if a majority of the votes cast for and against the adoption of said charter shall be in favor of such adoption, the said charter from and after the *thirtieth day* from the date of such election shall become the law of said city or county, subject only to the Constitution

and Public General Laws of this State, and any Public Local Laws inconsistent with the provisions of said charter and former charter of said the City of Baltimore or county shall be thereby repealed.

SEC. 2. The General Assembly at its first session after the adoption of this amendment shall, by Public General Law, provide a grant of express powers for such county or counties as may thereafter form a charter under the provisions of this Article. Such express powers granted to the counties and the powers heretofore granted to the City of Baltimore, as set forth in Article 4, Section 6, Public Local Laws of Maryland, shall not be enlarged or extended by any charter formed under the provisions of this Article, but such powers may be extended, modified, amended or repealed by the General Assembly.

SEC. 3. Every charter so formed shall provide for an elective legislative body in which shall be vested the law-making power of said city or county. Such legislative body in the City of Baltimore shall be known as the City Council of the City of Baltimore, and in any county shall be known as the County Council of the county. The chief executive officer, if any such charter shall provide for the election of such executive officer, or the presiding officer of said legislative body, if such charter shall not provide for the election of a chief executive officer, shall be known in the City of Baltimore as Mayor of Baltimore, and in the county as the President of the County Council of the county, and all references in the Constitution and laws of this State to the Mayor of Baltimore and City Council of the City of Baltimore and to the President and County Commissioners of the counties shall be construed to refer to the Mayor of Baltimore and City Council of the City of Baltimore and to the President and County Council herein provided for, whenever such construction would be reasonable. From and after the adoption of a charter by the City of Baltimore, or any county of this State, as hereinbefore provided, the Mayor of Baltimore and City Council of the City of Baltimore or the County Council of said county, subject to the Constitution and Public General Laws of this State, shall have full power to enact local laws of said city or county, including the power to repeal or amend Local Laws of said city or county enacted by the General Assembly, upon all matters covered by the express powers granted as above provided; provided that nothing herein contained shall be construed to authorize or empower the County Council of any county in this State to enact laws or regulations for any in-

corporated town, village, or municipality in said county, on any matter covered by the powers granted to said town, village, or municipality by the Act incorporating it, or any subsequent Act or Acts amendatory thereto. Provided, however, that the charters of the various counties shall provide that the County Council of the counties shall not sit more than one month in each year for the purpose of enacting legislation for such counties, and all legislation shall be enacted during the month so designated for that purpose in the charter, and all laws and ordinances so enacted shall be published once a week for three successive weeks in at least one newspaper published in such counties, so that the taxpayers and citizens may have notice thereof. This provision shall not apply to Baltimore City. All such local laws enacted by the Mayor of Baltimore and City Council of the City of Baltimore or the Council of the Counties, hereinbefore provided, shall be subject to the same rules of interpretation as those now applicable to the Public Local Laws of this State, except that in case of any conflict between said Local Law and any Public General Law now or hereafter enacted, the Public General Law shall control.

SEC. 4. From and after the adoption of a charter under the provisions of this Article by the City of Baltimore or any county of this State, no Public Local Law shall be enacted by the General Assembly for said city or county on any subject covered by the express powers granted as above provided. Any law so drawn as to apply to two or more of the geographical sub-divisions of this State shall not be deemed a Local Law, within the meaning of this Act. The term "geographical sub-division" herein used shall be taken to mean the City of Baltimore or any of the counties of this State.

SEC. 5. Amendments to any charter adopted by the City of Baltimore or by any county of this State under the provisions of this Article may be proposed by a resolution of the Mayor of Baltimore and the City Council of said the City of Baltimore, or the Council of said county, or by a petition signed by not less than 20 per cent of the registered voters of said city or county, provided, however, that in any case 10,000 signatures shall be sufficient to complete a petition, and filed with the Mayor of Baltimore or the President of the County Council, and when so proposed shall be submitted to the voters of said city or county at the next general or Congressional election occurring after the passage of said resolution, or the filing of said petition; and if at said election the majority of the votes cast for and against said amendments shall be in favor thereof, said amendment

shall be adopted and become a part of the charter of said city or county from and after the thirtieth day after said election. Said amendments shall be published by said Mayor of Baltimore or President of the County Council once a week for five successive weeks prior to said election in at least one newspaper published in said city or county.

SEC. 6. The power heretofore conferred upon the General Assembly to prescribe the number, compensation, powers and duties of the County Commissioners in each county, and the power to make changes in Sections 1 to 6, inclusive, Article XI of this Constitution, when expressly granted as hereinbefore provided, are hereby transferred to the voters of each county and the voters of the City of Baltimore, respectively, provided that said powers so transferred shall be exercised only by the adoption or amendment of a charter as hereinbefore provided; and provided further, that this Article shall not be construed to authorize the exercise of any powers in excess of those conferred by the Legislature upon said counties or city as this Article sets forth.

SEC. 7. The word "Petition," as used in this Article, means one or more sheets written or printed or partly written and partly printed; "Signature" means the signature of a registered voter written by himself in his own handwriting (and not by his mark), together with the ward or district and precinct in which he is registered. The authenticity of such signatures and the fact that the persons so signing are registered voters shall be evidenced by the affidavit of one or more registered voters of the city or county in which said voters so signing are registered, and one affidavit may apply to or cover any number of signatures to such petition. The false signing of any name, or the signing of any fictitious name to said petition shall be forgery, and the making of any false affidavit in connection with said petition shall be perjury.

ARTICLE XII.

PUBLIC WORKS.

SECTION 1. The Governor, the Comptroller of the Treasury and the Treasurer shall constitute the Board of Public Works in this State. They shall keep a journal of their proceedings, and shall hold regular sessions in the City of Annapolis on the first Wednesday in January, April, July and October in each year, and oftener if necessary; at which

sessions they shall hear and determine such matters as affect the public works of the State, and as the General Assembly may confer upon them the power to decide.

SEC. 2. They shall exercise a diligent and faithful supervision of all public works in which the State may be interested as stockholder or creditor, and shall represent and vote the stock of the State of Maryland in all meetings of the stockholders of the Chesapeake and Ohio Canal; and shall appoint the directors in every railroad and canal company in which the State has the legal power to appoint directors, which said directors shall represent the State in all meetings of the stockholders of the respective companies for which they are appointed or elected. And the president and directors of the said Chesapeake and Ohio Canal Company shall so regulate the tolls of said company from time to time as to produce the largest amount of revenue, and to avoid the injurious effect to said company of rival competition by other internal improvement companies. They shall require the directors of all said public works to guard the public interest and prevent the establishment of tolls which shall discriminate against the interest of the citizens or products of this State and from time to time, and as often as there shall be any change in the rates of toll on any of the said works, to furnish the said Board of Public Works a schedule of such modified rates of toll, and so adjust them as to promote the agricultural interests of the State; they shall report to the General Assembly at each regular session, and recommend such legislation as they may deem necessary and requisite to promote or protect the interests of the State in the said public works; they shall perform such other duties as may be hereafter prescribed by law, and a majority of them shall be competent to act. The Governor, Comptroller and Treasurer shall receive no additional salary for services rendered by them as members of the Board of Public Works. The provisions of the Act of the General Assembly of Maryland of the year 1867, Chapter 359, are hereby declared null and void.

SEC. 3. The Board of Public Works is hereby authorized, subject to such regulations and conditions as the General Assembly may from time to time prescribe, to sell the State's interest in all works of internal improvement, whether as a stockholder or a creditor, and also the State's interest in any banking corporation, receiving in payment the bonds and registered debt now owing by the State, equal in amount to the price obtained for the State's said interest.*

* Thus amended by Act of 1890, Chapter 363, and ratified by the people November 3, 1891.

ARTICLE XIII.

NEW COUNTIES.

SECTION 1. The General Assembly may provide, by law, for organizing new counties, locating and removing county seats and changing county lines; but no new county shall be organized without the consent of the majority of the legal voters residing within the limits proposed to be formed into said new county; and whenever a new county shall be proposed to be formed out of portions of two or more counties, the consent of majority of the legal voters of such part of each of said counties, respectively, shall be required; nor shall the lines of any county be changed without the consent of a majority of the legal voters residing within the district, which, under said proposed change, would form a part of a county different from that to which it belonged prior to said change; and no new county shall contain less than four hundred square miles, nor less than ten thousand white inhabitants; nor shall any change be made in the limits of any county, whereby the population of said county would be reduced to less than ten thousand white inhabitants, or its territory reduced to less than four hundred square miles.

Morris; thence due east to the Pocomoke river; thence with the channel of said river to the beginning; the Judges of Election, in each of said districts, shall receive the ballots of each elector, voting at said election, who has resided for six months preceding said election within said limits, for or against a new county; and the return judges of said election districts shall certify the result of such voting, in the manner now prescribed by law, to the Governor, who shall by proclamation make known the same, and if a majority of the legal votes cast within that part of Wor-

cester county, contained within said lines, and also a majority of the legal votes cast within that part of Somerset county, contained within said lines, shall be in favor of a new county, then said parts of Worcester and Somerset counties shall become and constitute a new county, to be called Wicomico county, and Salisbury shall be the county seat. And the inhabitants thereof shall thenceforth have and enjoy all such rights and privileges as are held and enjoyed by the inhabitants of the other counties of this State.

SEC. 3. When said new county shall have been so created, the inhabitants thereof shall cease to have any claim to, or interest in, the county buildings and other public property of every description belonging to said counties of Somerset and Worcester, respectively, and shall be liable for their proportionate shares of the then existing debts and obligations of the said counties according to the last assessment in said counties, to be ascertained and apportioned by the Circuit Court of Somerset county, as to the debts and obligations of said county, and by the Circuit Court of Worcester county as to the debts and obligations of Worcester county, on the petition of the County Commissioners of the said counties, respectively; and the property in each part of the said counties included in said new county shall be bound only for the share of the debts and obligations of the county from which it shall be separated; and the inhabitants of said new county shall also pay the county taxes levied upon them at the time of the creation of such new county, as if such new county had not been created; and on the application of twelve citizens of the proposed county of Wicomico, the Surveyor of Worcester county shall run and locate the line from Meadow Bridge to the Pocomoke river, previous to the adoption or rejection of this Constitution, and at the expense of said petitioners.

SEC. 4. At the first general election held under this Constitution the qualified voters of said new county shall be entitled to elect a Senator and two Delegates to the General Assembly, and all such county or other officers as this Constitution may authorize, or require to be elected by other counties of the State; a notice of such election shall be given by the Sheriffs of Worcester and Somerset counties in the manner now prescribed by law; and in case said new county shall be established, as aforesaid, then the counties of Somerset and Worcester shall be entitled to elect but two Delegates each to the General Assembly.

SEC. 5. The county of Wicomico, if formed according to the provisions of this Constitution, shall be embraced in the First Judicial Circuit, and the times for holding the courts

therein shall be fixed and determined by the General Assembly.

SEC. 6. The General Assembly shall pass all such laws as may be necessary more fully to carry into effect the provisions of this Article.

ARTICLE XIV.

AMENDMENTS TO THE CONSTITUTION.

SECTION 1. The General Assembly may propose amendments to this Constitution; provided, that each amendment shall be embraced in a separate bill, embodying the Article or Section, as the same will stand when amended and passed by three-fifths of all the members elected to each of the two Houses by yeas and nays, to be entered on the journals with the proposed amendment. The bill or bills proposing amendment or amendments shall be published by order of the Governor, in at least two newspapers in each county, where so many may be published, and where not more than one may be published, then in that newspaper, and in three newspapers published in the City of Baltimore, one of which shall be in the German language, once a week for at least three months preceding the next ensuing general election, at which the proposed amendment or amendments shall be submitted, in a form to be prescribed by the General Assembly, to the qualified voters of the State for adoption or rejection. When two or more amendments shall be submitted in manner aforesaid, to the voters of this State at the same election, they shall be so submitted as that each amendment shall be voted on separately.

SEC. 2. It shall be the duty of the General Assembly to provide by law for taking, at the general election to be held in the year eighteen hundred and eighty-seven, and every twenty years thereafter, the sense of the people in regard to calling a convention for altering this Constitution; and if a majority of voters at such election or elections shall vote for

a convention, the General Assembly, at its next session, shall provide by law for the assembling of such convention, and for the election of Delegates thereto. Each county and Legislative District of the City of Baltimore shall have in such convention a number of Delegates equal to its representation in both Houses at the time at which the convention is called. But any Constitution, or change, or amendment, of the existing Constitution, which may be adopted by such convention shall be submitted to the voters of this State, and shall have no effect unless the same shall have been adopted by a majority of the voters voting thereon.

ARTICLE XV.

The Governor and all officers, civil and military, now holding office under this State, whether by election or appointment, shall continue to hold, exercise and discharge the duties of their offices (unless inconsistent with or otherwise provided in this Constitution), until they shall be superseded under its provisions, and until their successors shall be duly qualified.

SEC. 4. If at any election directed by this Constitution, any two or more candidates shall have the highest and an equal number of votes, a new election shall be ordered by the Governor, except in cases specially provided for by this Constitution.

SEC. 5. In the trial of all criminal cases, the jury shall be the judges of law, as well as of fact.

SEC. 8. The Sheriffs of the several counties of this State and of the City of Baltimore shall give notice of the several elections authorized by this Constitution, in the manner prescribed by existing laws for elections to be held in this State, until said laws shall be changed.

SEC. 9. The term of office of all judges and other officers, for whose election provision is made by this Constitution,

VOTE ON THE CONSTITUTION.

For the purpose of ascertaining the sense of the people of this State in regard to the adoption or rejection of this Constitution, the Governor shall issue his proclamation within five days after the adjournment of this convention, directed to the Sheriffs of the City of Baltimore and of the several counties of this State, commanding them to give notice in the manner now prescribed by law in reference to the election of members of the House of Delegates, that an election for the adoption or rejection of this Constitution will be held in the City of Baltimore and in the several counties of this State, on Wednesday, the eighteenth day of September, in the year eighteen hundred and sixty-seven, at the usual places of holding elections for members of the House of Delegates in said city and counties. At the said election the vote shall be by ballot, and upon each ballot there shall be written or printed the words, "For the Constitution," or "Against the Constitution," as the voter may elect; and the provisions of the laws of this State relating to the holding of general elections for members of the House of Delegates, shall in all respects apply to and regulate the holding of the

said election. It shall be the duty of the judges of election in said city and in the several counties of the State to receive, accurately count and duly return the number of ballots so cast for or against the adoption of this Constitution, as well as any blank ballots which may be cast, to the several clerks of the Circuit Courts of this State, and to the clerk of the Superior Court of Baltimore City, in the manner now prescribed by law, in reference to the election of members of the House of Delegates, and duplicates thereof, directly to the Governor; and the several clerks aforesaid shall return to the Governor, within ten days after said election, the number of ballots cast for or against the Constitution and the number of blank ballots; and the Governor, upon receiving the returns from the judges of election, or the clerks as aforesaid, and ascertaining the aggregate vote throughout the State, shall, by his proclamation, make known the same; and if a majority of the votes cast shall be for the adoption of this Constitution, it shall go into effect on Saturday, the fifth day of October, eighteen hundred and sixty-seven.

ARTICLE XVI.*

THE REFERENDUM.

SECTION 1. (a) The people reserve to themselves power known as The Referendum, by petition to have submitted to the registered voters of the State, to approve or reject at the polls, any Act, or part of any Act of the General Assembly, if approved by the Governor, or, if passed by the General Assembly over the veto of the Governor.

(b) The provisions of this Article shall be self-executing; provided that additional legislation in furtherance thereof and not in conflict therewith may be enacted.

SEC. 2. No law enacted by the General Assembly shall take effect until the first day of June next after the session at which it may be passed, unless it contain a section declaring such law an emergency law and necessary for the immediate preservation of the public health or safety, and passed upon a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly; provided, however, that said period of suspension may be extended as provided in Section 3 (b) hereof. If before said first day of June there shall have been filed with the Secretary of the State a petition to refer to a

vote of the people any law or part of a law capable of referendum, as in this Article provided, the same shall be referred by the Secretary of State to such vote, and shall not become a law or take effect until thirty days after its approval by a majority of the electors voting thereon at the next ensuing election held throughout the State for Members of the House of Representatives of the United States. An emergency law shall remain in force notwithstanding such petition, but shall stand repealed thirty days after having been rejected by a majority of the qualified electors voting thereon; provided, however, that no measure creating or abolishing any office, or changing the salary, term of duty of any officer, or granting any franchise or special privilege, or creating any vested right or interest, shall be enacted as an emergency law. No law making any appropriation or maintaining the State Government, or for maintaining or aiding any public institution, not exceeding the next previous appropriation for the same purpose, shall be subject to rejection or repeal under this section. The increase in any such appropriation for maintaining or aiding any public institution shall only take effect as in the case of other laws, and such increase or any part thereof specified in the petition, may be referred to a vote of the people upon petition.

SEC. 3. (a) The referendum petition against an Act or part of an Act passed by the General Assembly, shall be sufficient if signed by ten thousand qualified voters of the State of Maryland, of whom not more than half shall be residents of Baltimore City, or of any one county; provided that any Public Local Law for any one county or the City of Baltimore shall be referred by the Secretary of State only to the people of said county or City of Baltimore, upon a referendum petition of ten per cent of the qualified voters of said county or City of Baltimore as the case may be, calculated upon the whole number of votes cast therein respectively for Governor at the last preceding Gubernatorial election.

(b) If more than one-half, but less than the full number of signatures required to complete any referendum petition against any law passed by the General Assembly, be filed with Secretary of State before the first day of June, the time for the law to take effect, and for filing the remainder of signatures to complete the petition shall be extended to the thirtieth day of the same month, with like effect.

SEC. 4. A petition may consist of several papers, but each paper shall contain the full text of the Act or part of Act petitioned upon; and there shall be attached to each such

paper an affidavit of the person procuring the signatures thereon that of the said person's own personal knowledge every signature thereon is genuine and bona fide, and that the signers are registered voters of the State of Maryland, and of the City of Baltimore, or county, as the case may be, as set opposite their names and no other verification shall be required.

SEC. 5. (a) The General Assembly shall provide for furnishing the voters of the State the text of all measures to be voted upon by the people; provided, that until otherwise provided by law the same shall be published in the manner prescribed by Article XIV of the Constitution for the publication of proposed Constitutional Amendments.

(b) All laws referred under the provisions of this Article shall be submitted separately on the ballots to the voters of the people, but if containing more than two hundred words, the full text shall not be printed on the official ballots, but the Secretary of State shall prepare and submit a ballot title of each such measure in such form as to present the purpose of said measure concisely and intelligently. The ballot title may be distinct from the legislative title, but in any case the legislative title shall be sufficient. Upon each of the ballots, following the ballot title or text, as the case may be, of each such measure, there shall be printed the words "For the Referred Law" and "Against the Referred Law," as the case may be. The votes cast for and against any such referred law shall be returned to the Governor in the manner prescribed with respect to proposed amendments to the Constitution under Article XIV of this Constitution, and the Governor shall proclaim the result of the election, and, if it shall appear that the majority of the votes cast on any such measure were cast in favor thereof, the Governor shall, by his proclamation, declare the same having received a majority of the votes to have been adopted by the people of Maryland as a part of the laws of the State, to take effect thirty days after such election, and in like manner and with like effect the Governor shall proclaim the result of the local election as to any Public Local Law which shall have been submitted to the voters of any county or of the City of Baltimore.

SEC. 6. No law or Constitutional Amendment, licensing, regulating, prohibiting, or submitting to local option, the manufacture or sale of malt or spirituous liquors, shall be referred or repealed under any Act of the provisions of this Article.

ARTICLE XVII.*

QUADRENNIAL ELECTIONS.

SECTION 1. All State officers elected by qualified voters (except judges of the Circuit Courts of the several circuits, the member of the Court of Appeals from Baltimore City, and members of the Supreme Bench of Baltimore City), and all county officers elected by qualified voters, shall hold office for terms of four years, and until their successors shall qualify.

SEC. 2. Elections by qualified voters for State and county officers shall be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-six, and on the same day in every fourth year thereafter.

SEC. 3. Members of the House of Delegates and all other State and county officers elected by the qualified voters at the election to be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-three for terms of office heretofore fixed by law at two years, shall hold office for terms of three years; the Governor, Attorney General, members of the State Senate and all other State and county officers elected by the qualified voters at the election to be held on the Tuesday next after the first Monday in November, in the year nineteen hundred and twenty-three, for terms of office heretofore fixed by law at four years, shall hold office for terms of three years; Registers of Wills, Clerks of Court and all other State and county officers elected by qualified voters at the election to be held on the Tuesday next after the first Monday of November, in the year nineteen hundred and twenty-three, for terms of office heretofore fixed by law at six years, shall hold office for terms of three years; and all such State and county officers elected by qualified voters thereafter shall hold office for terms of four years.

SEC. 4. All officers to be appointed by the Governor under existing provisions of law in the year nineteen hundred and twenty-four for terms of office heretofore fixed by law at two years, shall hold office for terms of three years; all officers so appointed for terms of office heretofore fixed by law at four years, shall hold office for terms of three years; all officers so appointed for terms of office heretofore fixed by law at six years, shall hold office for terms of five years, and thereafter appointments by the Governor shall be for the terms heretofore fixed by law, unless otherwise duly changed by law. All officers appointed by County Commis-

sioners after the election to be held on the Tuesday next after the first Monday in November, nineteen hundred and twenty-three, for terms of office of two, four or six years, shall hold office for terms of three years, and thereafter appointment by the County Commissioners shall be for terms of four years, unless otherwise duly changed by law.

SEC. 5. The terms of all State and county officers heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-five, shall be increased by one year, and their successors shall be elected for the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six. The terms of all State and county officers heretofore elected by qualified voters, and whose successors would not be elected until the Tuesday next after the first Monday of November, nineteen hundred and twenty-seven, shall remain unchanged; their successors shall be elected for a term of three years at the elections to be held on the Tuesday next after the first Monday of November, nineteen hundred and twenty-six, but shall not take office until the expiration of the full term for which their predecessors have been elected; and their successors shall be elected for the regular term at the election to be held on the Tuesday next after the first Monday of November, nineteen hundred and thirty. Nothing herein shall affect the terms of any judge of the Circuit Court of the several circuits, the member of the Court of Appeals from Baltimore City or any member of the Supreme Bench of Baltimore City; if the term of any such judge shall expire in a year in which no election for members of the General Assembly is held, the Governor shall appoint a person duly qualified to fill said office, who shall hold the same until the next general election for members of the General Assembly, when a successor shall be elected for the term elsewhere provided. The terms of all State and county officers heretofore appointed for terms which will not expire until during the years nineteen hundred and twenty-five, nineteen hundred and twenty-six, nineteen hundred and twenty-seven or nineteen hundred and twenty-eight shall be reduced by one year, and their successors shall be appointed for the terms now provided by law in the years nineteen hundred and twenty-four, nineteen hundred and twenty-five, nineteen hundred and twenty-six or nineteen hundred and twenty-seven, respectively. In the event that the term of any officer appointed by the Governor with the advice and consent of the Senate shall expire in the years nineteen hun-

dred and twenty-five or twenty-six, the Governor shall have power to appoint a successor, who shall serve for the full term subject to confirmation by the Senate at the regular session to be held under this Article in the year nineteen hundred and twenty-seven.

SEC. 6. The General Assembly shall meet on the first Wednesday of January, nineteen hundred and twenty-four, for a regular session, and shall not meet again for a regular session until the first Wednesday of January, nineteen hundred and twenty-seven, and the General Assembly shall meet on the same day in every second year thereafter and at no other time, unless convened by proclamation of the Governor.

SEC. 7. The term of the Treasurer elected by the General Assembly at the regular session of nineteen hundred and twenty-four shall be three years. Thereafter the term shall be the same as elsewhere provided.

SEC. 8. The terms of the members of the Board of Supervisors of Elections of Baltimore City and of the several counties shall commence on the first Monday of June next ensuing their appointment.

SEC. 9. The vote to be held under the provisions of Section 2 of Article XIV of the Constitution for the purpose of taking the sense of the people in regard to calling a Constitutional Convention shall be held at the general election in the year nineteen hundred and thirty, and every twenty years thereafter.

SEC. 10. The Governor shall submit three budgets to the General Assembly at the regular session of nineteen hundred and twenty-four, in accordance with the provisions of Section 52 of Article III of the Constitution, for the three fiscal years beginning October first, nineteen hundred and twenty-four, and ending September thirtieth, nineteen hundred and twenty-seven, and two budgets to the general Assembly at the regular session of nineteen hundred and twenty-seven, and thereafter as now provided by said section.

SEC. 11. The purpose of this Article is to reduce the number of elections, by providing that all State and county elections shall be held only in every fourth year, and at the time now provided by law for holding congressional elections; and to bring all terms of appointive officers into harmony with the changes affected in the time of the beginning of the terms of elective officers; and the administrative and judicial officers of the State shall construe the provisions of

this Article so as to effectuate that purpose. For the purpose of this Article only the word "officers" shall be construed to include those holding positions and other places of employment in the State and county governments whose terms are fixed by law, but it shall not include any appointments made by the Board of Public Works, nor appointments by the Governor for terms of three years.

SEC. 12. The General Assembly, at the regular session of the year nineteen hundred and twenty-four, shall make such changes in the primary and general election laws, and otherwise, as may be necessary to carry out the provisions of this Article. There shall be no election for State or county officers in the year nineteen hundred and twenty-five.

SEC. 13. In the event of any inconsistency between the provisions of this Article and any of the other provisions of the Constitution, the provision of this Article shall prevail, and all other provisions shall be repealed or abrogated to the extent of such inconsistency.
